MAY DAY PARADE SUNDAY

WHAT'S GOING ON AROUND TOWN

By BILL KATZ

How does the city name its streets? We're not certain how the older names came into being, but April 24 the council approved the labeling of a short street between Bismark and Moltke. This parkway is now known as Parma. The name was conceived by consulting engineer Ed Smith, who admits he had a "rough time" in trying to find a suitable handle that hasn't been duplicated in San Francisco. Turning to the fountain of all knowledge, the Encyclopedia, Smith came up with Parma. This is the royal house to which the famous Italian patriot, Count Cavour was a member. Cavour was the brains behind the Italian bid for freedom led by Garibaldi in the 40's and 50's of the 19th century. He is also known in Daly City, as a street bears his name. Odd thing, though. The house of Cavour is in rather unfriendly territory, situated as it is between Moltke and Bismark, two Germans who did their best to defeat everything Cavour fought to obtain.

The literary inclined will be glad to learn that the Colonial Gift Shop, 6272 Mission, has a new department. Tom Rae, manager of the shop, has installed a circulating library. Now for a small fee, readers may obtain books which are difficult to find at the Daly City library.

Art blossomed out this week in Daly City. Although they admit their canvases have never hung on the hallowed walls of an art museum, John Kantor and George Rocco, proprietors of the Fine Art Shoe store, 6446 Mission, hastily add their technicolor landscapes have brought favorable comment from many a pleased customer.

Group To Clean Club House For Opening Soon

Taking definite steps to open the Daly City Boys Club, the Sponsoring Association plans to clean out the club house this weekend.

This was the principal action taken at the first regular meeting of the Daly City Boys Club Sponsor Association Wednesday evening.

No date has been set for the opening of the club, but this is expected in the very near future. Meanwhile, anyone interested in helping to clean up the Hillside drive club is asked to contact Mrs. M. W. Linton, 170 Los Alivos, JU 5-2614.

Other action taken at Wednesday's meeting was the appointment of a board of directors. Only seven members of the board have been chosen to date. Eventually 15 members are expected.

Those serving on the board include: Finney, who has also taken over themembership campaign; Rockey, Gray, P. J. Nolli, Mrs. Linton, Bria and Frank Lombardi.

The board will act as a steercommittee for the membership organization and also help to reorganize the Daly City Boys Club.

Persons interested in joining the Sponsoring Association may do so by calling the Daly City Record, JUniper 7-4321.

Final Steps Taken To Get Vote On Charter Change

Final step in putting the proposed San Mateo county charter amendments on the June 6 primary ballot will be taken by the board of supervisors, Friday, May 6.

At that time the supervisors will pass an ordinance calling a special consolidated election. Publication of the amendments—nine in all—will be completed Thursday.

Following the refusal of the state supreme court to hear a taxpayer's suit on the legality of the amendments, the board has no alternative but to submit the proposed changes to the voters.

Among other things, the amendments will return the vote to districts rather than to the county at large, and will reinsate the elective position of County Executive.

COUNCIL CAUCUS MEET

City Hears Problem Of Closing Or Leaving Open Toyland Nursery

Refusing to compromise, immediate neighbors of the Toyland Nursery School, 462 Templeton, demanded Monday night that the school close down.

Their demands were heard at a caucus meeting of the city council. Present at the meeting was Mrs. Grace Wilson, manager of the school, who said today she will continue to fight to keep her institution going.

After several hours of discussion, the matter was finally turned over to Mrs. Wilson's lawyer, Jay Pftenhauer, who will seek some other compromise. He is to confer with Mayor Paul Green Friday, May 5. If this talk fails, the matter is to be turned over to the San Mateo county district attorney's office, Mayor Green said.

The conroversy centers around the school which takes care of smal children during the working week. While the establishment has a license for five children, there are now 10 attending, Mrs. Wilson said.

"We wish some compromise might be reached, as a nursery school is badly needed in Daly City, and we hate to have to close," Mrs. Wilson noted.

Neighbors object to the school on the grounds that the children make "too much noise" and are a general nuisance.

The neighbors present at the meeting Monday night, and whom have been most vociferous in their protests were Mrs. Jones and Mrs. Warner who live adjacent and next to the nursery.

"I'm sure the majority of people living in the neighborhood don't object to the nursery," Mrs. Wilson said.

Both Mrs. Jones and Mrs. Warner refuse to compromise and have demanded that the nursery be closed down, Mrs. Wilson said.

Mrs. Wilson hopes to keep her school open until September. At that time she will move into the new Grace Presbyterian Church building at Crocker and Winchester.

Whether or not the Wilsons can be forced out of the nursery is still a legal question. According to Mrs. Wilson, they have a license for five to six children, but the shortage of nursery schools has enabled the state to "overlook" a larger enrollment.

There is also the question of a fire permit, but this is something which must be decided in the courts. According to an ordinance passed four years ago, all nursery schools must be on the first floor. However, as few buildings in San Francisco allow for such a ruling, the ordinance has been liberally interpreted.

"Rudie" Tretten Opens Drive-in On J. S. Blvd. At 89th St.

A new and novel drive-in-restaurant, "Rudie's," opened its dors for business today at 89 street and Junipero Serra Boulevard, but the proprietor, Rudie Tretten is not a newcomer in this area when it comes to serving food.

For eigh years, he operated the Colonial Drive-in, and he opened and ran the Hilltop Lodge for a long period. In all, he has spent 20 years in the restaurant business around this vicinity.

Rudie's new location, the very latest in modern equipment and design, will cater to everyone, whether the desire is a cup of coffee or full dinner.

As for the coffee, Rudie has arranged for his own particular blend, which he describes as exceptional. To go along with the java, he has installed his own doughnut making machine, insuring a fresh supply at all times.

Top specialties will be steaks and chickens. Rudie said that his steaks will be really thick and juicy, while the foul will be the freshest and most tender obtainable.

Teen agers also hold a top spot in Rudie's place. There will be a soda fountain with a menu of ice cream dishes that will rival that of a college campus sweet shop.

In sum, he has adopted a slogan that is a basic plan as well. Rudie says he will give his customers the best quality food for the most reasonable prices.

Located on Junipero, he will make a play for the highway trade, but Rudie was quick to add that he hopes his drive-in will become the favorite for the surrounding residents.

With a large parking lot in front and alongside, service will be optional as to sitting down inside or eating in cars. In either case there will be no delays because of the large staff.

In all, there will be 20 employes, including a number of attractive lasses to serve. Moreover, they will be well trained so that satisfaction in every respect will be assured.

OH BOY! IT'S A BOY!!

Our reporter, Bill Katz, was so busy this week that, by golly, he almost forgot to tell you that he now is the proud father of an 8-lb. 11-oz. boy. The young man, named Randall, was born at Mount Zion hospital in San Francisco last Saturday, April 29. Mother, Marty Katz, is doing fine.

Meet Tippy, A "Police Dog" Who Loves D. C. Cops And The Life Of Wandering

Tippy, a lazy, black coated mongrel, raised his head slowly from the floor of the police station last week and looked over the incoming night shift.

Yawning, he rose, slunk around the office, found another comfortable spot by the teletype machine and settled down again for another few hours sleep.

No, his name can't be found on the rolls of the Daly City police department, but for the past year Tippy has been a faithful member of the gendarme force, and special friend of Officer Charles Munday. He performs no useful function other than offering officers a friendly bark, and a wet tongue during the long, lonesome night hours.

Where he came from remains a mystery. His age is set at about three, but his experiences bespeak a much older poch.

"Tippy will leave anybody in town for a cop, and leave any cop for Munday," Chief of Police W. W. Sunderland noted.

Another feature concerning the dog is that he can spot a police car in a heavy stream of traffic, and signify his recognition by a loud, friendly bark . At night, officers pick him up and take him around in the back of their cars.

"Funny thing, though, when a machine goes over 40, Tippy gets nervous," Sunderland noted. "He can be sleeping in the back, but if the car picks up speed he jumps into the front seat and nervously paws the windshield."

Police believe this stems from a recent accident in which Munday day and the dog were involved. Munday was chasing a speeder along Hillside boulevard when his car turned over. Neither he nor Tippy were seriously injured, although both were badly shaken up.

While ofifcers have tried to find a permanent home for the dog, Tippy refuses to remain in one spot more than a few days.

"He's a natural wanderer," Sunderland said. "He sleeps anywhere as long as it isn't the same place as the night before."

Well known around the stores and restaurants in town, Tippy never has trouble getting a square meal. He just wanders up to the back door and waits until someone comes through with food.

Anyone interested in seeing this remarkable "police" dog may do so just about any evening after 5 p.m. at the Mission street crossing near Hilcrest drive. Tippy will be there with his best friends . . . the cops.

MAY POLE DANCERS FEATURED HERE SUNDAY

These young ladies and gentlemen are typical of the hundreds of boys and girls who will take part in the great May Day pageant and parade in Daly City this Sunday, May 7. The pageant is to be held in the afternoon, climaxing the parade through Daly City. Everyone is invited to attend, and some 7,000 persons are expected to be on hand for the festivities.

McGeein Requests Local Support

Mrs. Mildred McGeein is asking the voters of the Jefferson Union High School District to support her in her campaign for Trustee ship of the Jefferson High School District.

Mrs. McGeein has always felt that the schools in our country represent the American Dream of equal educational rights for all children. In line with this general philosophy of education she believes that parent participation in a school program is of prime importance. Mrs. McGeein has consistently worked with PTA groups in the Jefferson High School District in an effort to bring the school and home in closer contact.

In the near future many new residents will enroll their children in the high school and their educational future will be in the hands of our local citizens. Mrs. McGeein is confident that her experience and interest in the high school will be a definite asset as a member of the governing board.

Rep. Douglas To Visit D. C. Next Tuesday

A night mass meeting in South San Francisco will climax the spectacular May 9 helicopter campaign throughout San Mateo County by Rep. Helen Gahagan Douglas, candidate for U. S. Senator, her headquarers said today as it listed the tentative helicopter schedule.

The meeting, sponsored by United Steelworkers of America, Local No. 1069, will open at 8 p.m. at the South San Francisco American Legion Hall. Carl Jones of Millbrae, union president, said a large committee of men and women outside the union is assisting in making arrangements for the meeting.

The famed Democratic congresswoman will speak at virtually every community in the county during the day.

Daly City will be Mrs. Douglas' first stop after her 10 a.m. departure from the Ferry Building in San Francisco.

She will land in Marchbanks Park between North and South Parkview, two blocks south of Mission St., at 10:15 a.m., according to tentative arrangements made by Frank Kent and Walter Warren, Daly City Douglas for Senate chairmen.

After a 30-minute address, she will leave for the next appearance in San Bruno.

D. C. Woman Struck By Car Wednesday

Recovering from a fractured right leg in Community Hospital today is Mrs. Susan Burtch, 52, 312 Winchester, struck by a car as she crossed Mission near Templeton Wednesday night.

Mrs. Burtch was crossing on Mission, 10 feet from the Templeton croswalk when hit by the car driven by Leo J. Champagne, 273 Justin drive, San Francisco, police said.

Champagne told officers he was

(Continued on Page 2)

George Rocco Joins Fine Art Shoe Repair Store

When entering the Fine Art Shoe store, 6446 Mission, the first thing seen is the paintings and carvings, and the next is George Rocco, artist extraordinary.

Rocco, 181 E. Vista, only recently joined the shoe repair shop, and is now in partnership with affable John Kantor. Both the men, as demonstrated by the paintings and carvings, are fine artists.

However, they also do excellent work in shoe repair.

"I carry art over to repairing all kinds of shoes, and take just as much pride in my work as my canvas," Rocco said pointing to a fine painting of the Cliff House that now hangs in the shop.

Before Rocco came to the Daly City shoe store, he had logged 25 years of experience. His last job was at Lakeside Village where the people still remember his fine shoe repairing.

Previous to Lakeside, Rocco was employed by H. C. Capwell, Oakland; Emporium, Zinkies, San Francisco; Frederick-Nelson, Seattle; Meyer-Frank, Lipman Wolf, Olds-Worthman-King, Portland; J. C. Penny, Reno; and on Ocean avenue in San Francisco.

"Come in and see us. We'd like to see you," Rocco said, speaking for both himself and John.

Rocco will be glad to show you some of his sample work in shoe repair, which he modestly claims is the best on the Pacific Coast. And if you have time, he'll "chin" with you for awhile about art.

City Studies Plan To Eliminate "Y" On Junipero Serra

Elimination of the dangerous "Y" at Junipero Serra and Highway No. 1 is now being considered by Daly City.

Mayor Paul Green said today that City Engineer A. J. Klassen is studying a plan to extend either Knowles or Hillcrest drive to Highway No. 1, thus cutting out the "Y". This would give residents of Daly City and Westlake a direct, safe route betwen the two communities.

When the viaduct, now under construction, is completed in the area, the residents of Westlake will have a direct route to San Francisco.

Cost of eliminating the "Y", putting in signals and traffic channelization is estimated at $72,000. Of this, the city will put up $5,000 and the state the remainder.

It is hoped that Knowles can be cut through to the junction, as this would give residents a more direct route and eliminate the necessity of cutting north east to Hillcrest drive, Mayor Green said.

Meanwhile, the signals along Mission are still being held up by the failure of San Francisco to remove the old trolley tracks, Mayor Green noted.

"We are now considering paving over the tracks, instead of tearing them up," the mayor said.

Klassen is also studying this proposal and is expected to make a report sometime next week.

Callan To Fight Against Swing Shift Education

Calling for an end to "swing shift" education, Michael Callan today stated his platform for re-election to trustee of the Jefferson elementary school board, May 19.

Coupled with his continued fight to abolish the double session, Callan said he will also battle for:

1. More and better recreation facilities for the younger children.

2. Higher salaries for teachers,

as well as an improved retirement plan.

3. A generally better educational system through construction of more schools and employment of the finest teachers available.

Callan was appointed to the job of trustee by the County Superintendent of Schools in June, 1948. At that time the enrollment in the district was close to 1,800 pupils. Since then, he has led the movement to build more schools,

(Continued on Page 2)

Burglars Get Radio, $8 From Canon Home

Burglarized of $8 and a table radio last Wednesday was the Selby Canon home at 55 Woodrow, police reported this week.

The burglars either entered the house through a window in the back, or via a pass key, police said. Time of the theft was between 7:30 a.m. and 6 p.m. Wednesday.

THIRD ANNUAL FETE

7,000 Expected To Attend Celebration; Entertainment Will Set Record High

Colorful floats, bands, horses, and thousands of individuals will take part in the giant May Day parade and pageant in Daly City this Sunday, May 7.

Officially opening the season of spring and summer, Daly City has planned a program which is expected to draw 7,000 Bay area residents to the community.

Getting underway at 12:30 p.m., the march will begin at Templeton and Mission, down Mission to Market, thence to Station, up Station to Jefferson High school where the pageant is to be staged at 2 p.m.

Reigning Queen of the parade and pageant will be lovely Sandra Lee Shaughnessy. She will be attended by young ladies from each of the Daly City elementary schools.

Eddy Allen, parade chairman, said today that this will be the largest parade in the history of Daly City.

"We have the full cooperation of the merchants and all civic bodies," Allen said. "Anyone who misses this event will be missing the biggest thing in Daly City for many a year."

It Won't . . . But In Case It Rains

All concerned with the parade and pageant this Sunday are certain the weather will be "just fine."

However, in case the weatherman pulls a rainy day out of his bag of predictions, the big event will be put off for another week.

Hence, if it is pouring rain at noon this Sunday, stay at home. The parade and pageant will be held the next Sunday, May 14.

Leading the march will be the famous 50 horses of the Arabian Horse Association. Behind them will come other equally proud horses, flowered floats, bands, drill teams, and scores of marching groups.

The pageant will open with the crowning of Queen Shaughnessy. Michael Wexler then will lead the string ensemble in the background music for the traditional May Day pole dancers.

Then, at 2:30 p.m., a varied stage program will be put on, featuring colorful dances and local talent in performances fitting for a May Day pageant.

Master of ceremonies for the event will be Dan Anderson, Daly City theatre manager, who so successfully staged the recent Lions show.

Elman Rose is in charge of the entire affair, assisted by Earle Johnson, the PTAs, OLPH Mothers' Club, and the city council.

Not to be forgotten, of course, is the awarding of prizes Each of the floats will be judged, as will the marching units. The winners are to be presented with beautiful gold cups, City Councilman Fred Bertetta said today.

Those who have made these

(Continued on Page 2)

Work To Begin July 1 On $152,000 Colma Grade School

Construction of the first unit of a new upper grade school in Colma is expected to begin about July 1.

This announcement came today as the Jefferson elementary school board called for bids on canstruction of $152,000 eight-room unit. Bids fo rthe job are to be opened June 1.

Until other schools are completed in the area, the Colma unit will be used to house students from the sixth to eighth grade inclusive. The school, to be built on newly acquired property near Market and Mission, will eventually have 18 classrooms, plus several all-purpose rooms. When the total job is completed, the building will house 631 students.

The second part of the school will not be built until such time as the state and Daly City approve a bond issue to finance that unit, plus five others throughout this area.

Indications are that voters will be given an opportunity to vote on the issue, estimated to be over $1,000,000 sometime next fall.

The first unit of the new Colma school, designed along the lines of the new Garden Village school, will be completed about the first of 1951.

At the board meeting Thursday night Superintendent of Schools James Snell also presented a complete summary of future school building plans.

Snell asserted that the state will not allow construction of schools on improved property when unimproved land may be obtained; or will the state sanction schools on inadequate sites.

Therefore, Snell concluded, the rulings prohibit construction of

(Continued on Page 2)

Lions Complete Vaudeville; Plan Junior Olympics

No soner finished with staging Tuesday's vaudeville show, members of the Daly City Lions club day were busy preparing plans for a Junior Olympics.

The Olympics are scheduled for June 2, and will be held to determine the best track stars in the Jefferson elementary school district.

As usual, the Lions have promised the winners some beautiful prizes, including several perpetual trophys.

Further details on the Junior Olympics will be published from time to time in your Daly City Record.

Meanwhile, the Lions thank all those whom helped to make their vaudeville show such a success. Officials say they raised a "large sum" which will be used throughout the year to assist youngsters in this community.

Special thanks go to Dan Anderson, manager of the Daly City Theatre, who so neatly arranged Tuesday evening's fine performance. And not to be forgotten are the performers and the master of ceremonies, Grant Williams.

"Parading" Cubs Asked To Report To City Hall

All boys of Daly City Cub Packs Nos. 62 and 63 planning to march in the May Day Parade are requested to be at city hall at 11:30 a.m. Sunday.

D. C. Gensel, scout commissioner, asked the boys to be in uniform. He also requested that all cubmasters accompany the boys. And be sure to bring the troop flags, Gensen said

Scout Troop No. 249, under R. Traxler, is also to march from the city hall.

FIREMEN'S BALL

Annual Dance To Open Week End Of Festivities In Daly City

Opening a weekend of celebration in Daly City will be the Firemen's Annual Ball this Saturday evening.

Hailed as the principal spring social event, the dance is to be held at the Jefferson High school auditorium beginning at 9 p.m.

The dance will be the "herald" for the parade and pageant on Sunday. Therefore, it is hoped all of Daly City will turn out for the two days of general festivities.

With over 500 people expected at the dance, tickets were almost at a premium in Daly City this week. However, Fire Chief Elmer Kenedy reports there are still some to be had at the door, or from members of the department.

Dino Benetti and his band will be the musicians of the evening, and promise dancers everything from the old fashion waltz to the modern fast numbers.

All money from the affair, as in past years, will go to the Widows' and Orphan's association, DCFD. Therefore, even if you don't intend to go to the dance, a ticket purchased is a child or widow helped.

Herold P. Bradshaw.....Publisher and Superintendent

Letter to the Editor

Letters We Like To Receive Dept.

As publicity chairman for Crocker PTA this last year, I want to sincerely thank you, Mr. Bradshaw, for the space you have given us in our lovely home town paper.

And to Mr. Bill Katz, thanks to you for your wonderful cooperation and kindness to me at all times.

Sincerely,
Mrs. Erwin Schmidt

Girl Scouts Praise Green And Donati

Editor:

The Girl Scouts of Troop No. 3 wish to thank and acknowledge their gratitude to two men whose help and effort enabled them to go troop camping.

First, Mr. Gus Donati, who not only donated his time and plumbing and drove the girls to Camp Wodhaven, but spent a great deal of time covering the sides and top with canvas so the girls would not be cold.

Last, but not least, Paul Green had promissed he'd see that we had a truck to carry the sleeping bags, camping equipment and groceries to Woodhaven. The truck arrived, and who should be driving it, but none other than his honor, the Mayor.

The girls were excited and thrilled to think we had a mayor democratic enough to do our hauling.

Neither man, incidentally, has a daughter old enough to join the Girl Scouts. So here is Troop thanks to two good scouts.

Sincerely,
Girls of Troop No. 3

Callan To Fight

(Continued from Page 1)

and hire teachers to take care of an enrollment expected to be 4,852 by the fall of 1951.

As a successful home builder and businessman, Callan has been in a position to advise the school board on matters concerning relative values of property and construction. He has also spent many days in Sacramento fighting for a "fair deal" for the Jefferson elementary school district.

Callan's interest in the district goes back to his childhood days. He was born in the district and attended Jefferson elementary school and Jefferson High school.

Upon graduation from high school he went to college where his interests in education led him to a minor in that subject. With a degree in business administration, Callan graduated from college to take an active part in community life.

However like so many other young men at that time, Callan entered the armed services as a private. During his three year enlistment with the U. S. Army air force, Callan rose through the ranks to become a captain and graduated from the U. S. Army Air orce Commanding General Staff school.

At the conclusion of the war, Callan returned home where he immediately took an interest in the welfare of the youngsters in the school district. It was through his efforts that several playgrounds were developed in the school district.

Young enough to participate actively in sports with youngsters, 30-year-old Callan has given much of his time to coaching basketball in the schools.

"I feel I really know these youngsters, and the problems they fame," Callan said. "I will continue to do everything in my power to give them a helping hand."

But not only does Callan understand the pupils, he also is in a good position to be sympathetic with the trials and tribulations of teachers. Two of his sisters, Miss Helen Callan and Miss Mary Callan, are teachers in Redwood City and San Francisco, respectively.

"The teacher, does much to shape the children. She is with them eight hours a day, and consequently it is necessary to have good teachers to have a happy, adjusted child." Callan stated.

Callan said he would give a full report next week on his plans for improving the school district, and what he will do if reelected May 19.

(Paid Political Adv.)

YOU'RE A LITTLE LATE FOR THE WATER WAGON MR. CANDIDATE!

With Candidate Arthur Johnson completely in ignorance of A FACT ABOUT WATER that thousands of voters KNOW--we must seriously question his knowledge of what's going on in this district.

The FACT, Mr. Candidate, is that the Miller-Engle-ANDERSON bill to construct Folsom Dam on American River is now LAW! Congressman Jack Anderson worked with hundreds of our civic leaders to make sure that our drought areas will be included in American River Plans.

And in the reports of who did the work, made the trips, gave their time to do this job, your name was conspicuously absent.

ANDERSON FOR CONGRESS COMMITTEE
GEORGE MILIAS, SECRETARY

Around Town

(Continued from Page 1)

Which may lead some to ask, what is art doing in a shoe store? Acquaintances of Kantor and Rocco meet this one by the friendly label, "characters." And never was an adjective better employed. Both gentlement take pride in their artistic wielding of the artist's brush and the shoe repairman's hammer. This critic is the first to hail them as great, at least in the shoe department line. Perhaps a little more modest description of their art is appropriate. It is difficult to place it either in the school of impressionism or realism, but at any rate it is a credible addition to the "culture" of this community. Anyone wishing to lure these latter day bohemians to a tea party may do so merely by dropping into the shop, where Kantor will explain the technicalities of his art. Believe us, it's worth the trip.

Leave it to the younger set to think up new ways of dangerous excitement. The latest trick, as demonstrated by a 14 and 13 year old Daly City boy last week, consists of placing a full can of gasoline on the back of a wagon. With the gas secure, the two boys get on the front part of the coaster, atop a steep hill, and shove off. Oh yes, as they gain speed one of the boys drops a match in the gas. Horrified neighbors called local police after the boys hit the bottom of the hill. With a stream of gas flames pouring out of the back of the wagon, the boys explained they were merely experimenting with "jet propulsion."

As case of real civic cooperation can be seen in the little blue box now resting on the counter of the police station. The box was made by the State Sheet Metal Co.; painted by Lombardi's; the lettering, "Daly City Boys Club," was printed by a school art class, and the lock furnished by the Daly City Police department. It is only hoped others will be as cooperative in filling the box with money for the Boys Club.

Believing that the solution to most problems is kindness, Mrs. Lizette Mack, 185 Bellevue avenue, last week gave a bag of groceries to the Mone family which was recently evicted, with their six children, from a Daly City home. Mrs. Mack, whom has been a resident of Daly City for the past 34 years, didn't want any publicity for her act of giving, but we think she is due a real bow. The elderly woman has been unemployed for over a year, and is giving the groceries to the Mo family, although she has a hard time trying to make ends meet. Too bad there are not more people like Mrs. Mack in this world.

D. C. Woman Struck

(Continued from Page 1)

going "15 miles an hour" when Mrs. Burtch ran out into the street. He swerved but struck Mrs. Burtch with the left fender of his car, Champagne said.

Pending further investigation no citations have been issued, police reported.

Coal is known to occur in several localities in California and was mined in early days.

The Civic Auditorium in San Francisco contains one of the largest pipe organs ever constructed.

Colma School

(Continued from page 1)

any additional classrooms at Pershing, Crocker, Woodrow, Jefferson and Thornton. Previous plans for six new schools have been based on the aforesaid rulings, Snell said, and they will in no way conflict with future growth of schools in this area.

Another facet of this state regulation is that if Daly City is to have new schools, the majority of them will have to be constructed on unimproved land at Broadmoor, Westlake and in Colma.

Teachers also came under consideration of the board, and it was decided to call a special meeting May 11 to discuss teacher salaries for 1950-51.

Playground equipment was another item of interest discussed by the board. The need for ample and suitable equipment was anticipated first by the Woodrow Wilson PTA, who made an appropriation of $45 toward the purchase of basketball courts and horizontal bar apparatus.

Mike Callan, clerk of the board, offered to donate another $23 to the PTA for the purchase of playground equipment.

The board accepted Callan's donation, and approved two "solo goals" be installed in each school serving smaller children, and a horizontal bar be purchased for Woodrow Wilson's playground.

Final action of the board, and of special interest to all Boy Scouts and Girl Scouts, was the motion to grant Snell the right to let these groups use school facilities without first contacting the board. The motion was approved.

"Record" Reminiscence

From the Record 10 Years Ago
April 24, 1940

Appointment of city committees for the coming two years was the highlight of Monday night's council meeting. Joseph Dolan, president of the Daly City Community Welfare club, presented the gavel to Mayor Fahey.

Daly City's table tennis team held their own with northern California champions last Friday. Only regular local player to win a match, however, was Captain Joe Medison.

Spring cleaning time has rolled around once more. The city will soon put on a special trash collection day.

Lembi's Cowboy band chalked up two more successful appearances last week, one before the Bayshore PTA and the other before the American Legion.

Accompanied by Mrs. Dorothy Pendergast, 14 delegates of Jefferson high school will partcipate in the spring council of the California Scholarship federation next Saturday.

Mrs. J. H. Price and daughters, Genevieve and Eleanor, attended a birthday picnic Sunday in honor of Miss Roberta Williams. Miss Williams is a former Jefferson Union high school student.

A surprise birthday party was given Friday afternoon by Mrs. R. L. Foster in honor of her mother, Mrs. Annie Johnson.

A unique record will be set at Jefferson High school commencement exercises, June 12, when the two leading student speakers, Charles Yonan and Evan Gillespie, will address their class both by right of their scholastic standing and the student body offices they hold.

Disclosure of a $2,574 loss in the operation of the municipal bus system since its inauguration here last December, was made public today.

Children of Wodrow Wilson and General Pershing school will participate today in a cross country hike to celebrate May Day.

Jefferson's varsity baseball team lost a 6 to 5 game to Half Moon Bay Friday. Poddig allowed Half Moon Bay eight hits and the Indians got ten from the opponents.

Present at a recent meeting of the Knit-N-Stitch club were Mesdames: Esie Hunter, Eda Torrance, Lottie Renney, Bertha MacCarthy, Lillian Yates, Dolly Roberts, Ema Ledterman, Bernice McNerney and Marie Jensen.

Barbara Parodi Given Stork Shower

Honored at a stork shower was given at the home of Mrs. Parodi's mother-in-law, Mrs. John Parodi, 350 Evergreen. The table was decorated in white and yellow, with a miniature crib as a centerpiece with paper baby shoes as favors.

Those present included Mesdames: Venturino, Parodi, Mossman, Fonner, Revetria, Cortopassi, McDonough, B. Stange, G. Stange, Vernazza, Firpo, Del Bianco, Gardella, Boyd, Ennis, Thompson, Canepa, Intaschi.

The recipient of the many beautiful gifts is expected to arrive sometime in June.

Barbara is the wife of Alfred Parodi, 362 Evergreen.

Jeff High "Guff"

By Bettie Duffy

You want to know what's going on around Jeff? Well, with only 31 more days of school left, things are really hustling!

Firstly, tonight, the year book staff is sponsoring another dance entitled the "Lollypop Hop!" A contest was held last week to determine Mr. and Mrs. Popularity of Jeff. So tonight the winner will be announced and crowned King and Queen "Lollypop." The music for tonight's dance will be supplied by "ye olde" juke box.

PARADE SUNDAY

Next we have the band news.—Our band will step out in the May Day Parade in their beautiful blue and gold uniforms, in definite hope of winning first place. Along with the group of 50 will be Jeff's five majorettes: Jeanne London, Doris Roth, Lorraine, Remmer, Bea Cassasa, and yours truly.

Sheriff McGrath Issues Statement

In a campaign statement released today, Sheriff James J. McGrath, candidate for reelection in the June 6th primary election, said:

"It is gratifying to note that so many friends and civic leaders are rallying to my side now that certain political interests and opposing candidates are seeking to make me the target of a vicious, slanderous mud slinging campaign.

"It is regrettable that certain candidates for sheriff would rather base their campaign efforts on the slanderous abuse of my name rather than on their own virtues or qualifications IF they have any.

"My campaign supporters and sponsors have been sitting back taking inventory of the despicable whisper campaign and unintelligent and non-factual propaganda that certain opposing candidates are peddling in the desperate hope they can defeat me by such tactics.

"As I said at the beginning of this campaign and I will say again now, I have great confidence in the intelligence of the electorate of San Mateo county. I know, as do my many supporters, that the philosophy of the intelligent voter on election day will be to choose a candidate for sheriff who has given the people service and who is trained by experience for the job.

"The intelligent voter will not be blinded by the mud that is slung his way by politicians who seek public office through slanderous effort!"

Scouting Show Coming To Cow Palace Friday

Sunset District Scout House at 24th and Judah was the scene of much feverish activity this week end as final rehearsals and preparations get underway for the Scouting Exposition Stage Show at the Cow Palace May 5 and 6.

Almost 500 Cubs and Scouts from all parts of the Council are in the more than forty acts in the big stage show.

Most of the stage acts are well organized by now — the boys have been busy making costumes and props for several weeks. The smell of grease paint has filled many houses as the Scouts have practiced their parts before their mirrors at home.

Only a few of the acts require "polishing up." This will be done this week end under the watchful eye of Herbert Seidelman, chairman of the Exposition's stage show. To gain experience before the public, many of the acts have played before audiences on television, radio and at several organization's meetings.

The stage show is only a small part of the Exposition. The committee in charge found that the vast Cow Palace was almost too small to house the dozens of booths for various demonstrations of Scouting crafts and skills. Plans are now complete and the boys are ready to sho wSan Francisco "what they are doing." Booth demonstrations will depict all parts of the advancement program for Scouting's three age groups and will range from handicraft and collections to life saving.

Exposition doors will open on Friday evening, May 5, at 7 p.m. Closing hour is 10 p.m. Saturday. Doors will open at 2 p.m. and close at 5. Evening performance will again start at 7 p.m. and close at 10.

New Arrivals

To the wife of Phillip S. Badran, 73 Vale street, April 19, a daughter.

To the wife of Vaco Ciardella, 7 Fieldcrest drive, April 20, a daughter.

To the wife of John H. Markman, 528 MacArthur drive, April 19, a son.

To the wife of LeRoy William Larson, 200 Garden Lane.

To the wife of John Henry Johnson, 4 Vista Grande avenue, April 24, a son.

To the wife of George R. Perada Jr., 343 Woodrow, April 27, a son.

To the wife of Walter K. Snencer, 351 Rhine street, April 22, a son.

FASHION SHOW

Jefferson High school is cordially inviting all the students' mothers to attend our annual Fashion Show, next Thursday at 2:10 in the J.U.H.S. auditorium. The girls from Miss Jones' sewing classes will model their wardrobes from summer clothes to pajamas. Mothers, you've got a date next Thursday!

SPANISH CLUB

The Spanish Club is busily rehearsing their forthcoming program "Carioca Caper," which is to be presented May 19 in the Jeff auditorium. Tickets will go on sale soon. So let's not forget May 19.

Bandmaster Tells History Of D.C. Band Urges Musicians To Help Organization

Still calling for new Daly City band members, George Brenner, bandmaster, today told the story of the organization he has built over the past 25 years.

However, unless the band receives some "new blood" shortly, it may have to disband.

Those wishing to take part in the Daly City band, may do so by calling Brenner at PR 5-6043, or attending the regular Tuesday night rehearsals, 8 o'clock, Fire Station No. 5, Oliver and Bellevue.

Following is the story of the band as related by Brenner:

Nearly 25 years ago an idea was born in our city that a band would prove a worthy asset to the community both from an advertising medium and cultural standpoint.

A committee was organized and Colma Vista Eagles decided to sponsor the band. Rehearsals were started with seven members. The organization grew to the extent that in six months there were 25 members enrolled. Rehearsals were conducted in the old Eagles Hall weekly until we outgrew space, and the old city hall was offered as a rehearsal room by the city fathers.

As the organization grew and progressed, the Colma Vista Grande lodge decided the band should be sponsored by the city, which finally came about, and since that time has been a division of the recreation department.

Operation

During the past 25 years of operation there has been a turnover of over 200 players, many of whom became professional musicians and are today employed by some of our finest western bands and orchestras.

During this space of time we have maintained a very high grade band as classified in the non-professional category. We have a policy that any performer, within reach of Daly City, could become a member of the band provided they agreed to cooperate on rehearsals and turnouts. This policy is still being carried out. However, we feel now that inasmuch as our organization is spsonsored by our own city, we prefer to have the band built upon a foundation of members whose homes are in Daly City, Colma and our new districts. We feel that there are many people who have played in bands who still want to continue their music aspirations. Therefore, we are making an urgent appeal to our citizens to join the band and build up an organization that will be second to none in the bay area.

Hall Promised

Our city fathers have promised us a fine rehearsal hall in the new War Memorial building which will afford a beautiful place to rehearse. When we are again completely organized on a sound basis, ways and means will be provided to outfit the band with new uniforms so that in civic appearances we can be ready to compete with the best bands in competition.

We have a wonderful library of the world's finest music from grand opera, symphonies, operettas, novelties, marches, etc. to work on which most surely will be of great interest to musicians to play.

Our band has won many gold trophies which we hope to display in a special glass case in the new War Memorial building.

Carry on Work

I have given 25 years toward building up an organization that has brought our city many thousands of dollars of pleasure and publicity.

This has been a labor of love for our community. I realize, however, that I cannot last forever. I am determined to see the band perpetuated. This can only be done by our younger citizens who are interested in the musical culture of Daly City.

This is the reason I am appealing to all who have had past experience to continue their musical career in a good concert and parade band.

We earnestly urge every citizen to come to our assistance so that we may perpeuate this very valuable organization.

The faster you go on the highway the longer it takes to stop and the harder you hit when you don't! . . . **The Green Cross.**

A speed violation is reported in nearly one-out-of-three fatal auto mishaps, the **Green Cross** warns. For a lot more safety go just a little slower.

Courtesy, caution and common sense—these three—are the key words to the safety of you and your family. . . **The Green Cross.**

Salvation Army Wants Newspaper

"If a hungry man could eat newspapers, would you destroy them?"

This may seem a strange question, but to The Salavation Army Men's Social Department, it is a logical one because newspapers are one commodity that helps to provide work for applicants who come day after day to find employment at the Army Center that will give them the necessities of life.

Red Shield trucks of The Salvation Army are in all neighborhoods every day and householders finding discarded material such as clothing, shoes, furniture, appliances, stoves, etc. that may have no further use to the individual will be gladly picked up and will be the means of helping a large group of handicapped and unemployed men to find the assistance they need without the necessity of recourse to welfare or relief funds.

Major R. T. Oldenburg, manager of the San Francisco area Men's Social Department, said today:

"If householders are Spring cleaning, they will undoubtedly find many things that have outlived their usefulness in the home that will "Help us to help others."

A telephone call to ATwater 2-0389 will bring the Red Shield truck to your door. A cordial invitation is also extended to donors to visit the Plant at 1500 Valencia Street and see how these discards are reconditioned and give new life so that other people in the low income brackets can secure them for a very nominal sum in the stores maintained by the Center and from which comes the revenue

COLMA --- BROADMOOR GARDEN VILLAGE

AROUND THE VILLAGES

with Verna Duste

Here we are again, and with another speech! This Friday, May 5, 1950, is your final chance for this year to really make your small (?) voices heard, for at that time the Annual General Meeting of the Broadmoor Property Owners Assn., Inc. will be held. All of your directors will be on hand—all nine of them, from the president right on down.

Your duties will be many on this auspicious occasion—for you must elect four trustworthy people to the vacancies as Directors, as well as elect four new officers—president, vice-president, secretary and treasurer. Thus far, we have four people running for the vacancies, with three of those desiring to run for officers. Such desires and wishes to help in community affairs are most praiseworthy, and we for our part, as one of the four resignees, are mighty glad to turn over our portfolio to some one worthy of the honor, and with the time for the little bit of necessary work!

But, seriously, being a Director is a lot of fun—you have the opportunity to meet a lot of your neighbors. In fact, I might say a goodly cross-section of them. When this or that controversial question comes up, you will find the meeting-place either flooded with visitors, or you will find yourself looking at just eight other faces.

Naturally, each job has its thorns as well as its roses—a lot of brickbats are tossed in the paths of the respective directors as they pursue (or try to pursue!) their respective jobs. Almost anything, from wives against two meeting nights a month to neighbors not liking the controversial stand you took on some minor point.

But, after your year is over, you'll feel a lot more inclined to be just a little more concerned with affairs affecting you—from national down to the "little" school elections.

Now a word as to the machinery—you won't need any proof of ownership of your home when you come to the meeting (Colombo Hall—8 p.m. Friday, May 6). Just come, register at the door, and vote for the person you feel will do the best job for you—after all, it's your $6.00 per year, and you have a right to state your views as to how it should be spent.

So—we'll see you there—let's fill the hall to overflowing—after all, it's your money that's paying for the rental! And remember, those of you who have felt moved to criticize the old boards. Now's your chance to run, be elected, and do much, much better!! Selah!

Cantate Sunday To Be Observed At Church

Cantate Sunday will be observed in the Lutheran Church of Broadmoor this week with the sermon "Christians Sing."

The sermon will emphasize the right and privilege, as well as the pleasure the child of God had in "making a joyful noise unto the Lord."

The service is held at 11 a.m. at the Community Recreation center, Broadmoor village. The public is invited to attend.

Sunday school, for children 3 to 13 is conducted at 9:45.

Since the blessings of the Christian faith do not benefit persons unless they go to the hearing and studying of the Word of God, a Christian Information Class is held on Thursday evenings in the village.

Persons interested in the pertinency of Christian doctrine enough to investigate the Church's teachings, please call Pastor Zschiegner, SEabright 1-1523.

Church Mothers To Meet Friday

Mothers of the Broadmoor Lutheran Sunday school are holding their next regular meeting Friday, May 5.

The meeting is to be held at 8 p.m. at the home of Mrs. James Kerrigan, 768, 87th street, Broadmoor.

Those attending are reminded to bring along used clothing. This clothing is to be used for the relief of tohse in countries abroad.

The relief packages are now being prepared for mailing.

Whitmore Releases 9-Point Program

A nine-point program which Sheriff Candidate Earl B. Whitmore will follow was released today by Whitmore's campaign committee.

1. The Sheriff's office, crime prevention and control in San Mateo County demands a man who is active, qualified and will give full-time serivice to the office. He is qualified, capable and will fulfill these requirements.

2. Development of good relations between the public and the Sheriff's office, through regular releases to the public and news agencies on the activities of the office.

3. Promote and maintain public confidence in the Sheriff's office with an administration built on a foundation of just, fair and equal enforcement of all laws for the best interests of ALL San Mateo County citizens.

4. Complete coordination and cooperation with all law enforcement agencies of the county, city, state and federal governments.

5. Adequate distribution of the Sheriff's patrols throughout the unincorporated areas of the county as required.

6. Full cooperation by the Sheriff's office with county and state agencies dealing with juvenile problems. By reason of his experience with youth, he understands many of their problems and will have their cooperation and respect through fair, just and understanding treatment.

7. An administration that will keep in step with modern law enforcement. He will take an active and full-time part in the administration of all affairs of the office, in the light of modern thought, training and experience.

8. A business-like administration conducted within authorized and reasonable cost to the taxpayer.

9. He is, and will remain, free to administer the affairs of the Sheriff's office of San Mateo County without any strings attached or obligations owed to any special interests and will enforce all the laws equally and fairly to the best of his ability.

The brines of Searles Lake are a major source of lithium-sodium phosphate in the United States.

Cub Pack No. 84 Members Receive Various Awards

Awarding of badges and pins was the principal business of the last meeting of Broadmoor Cub Pack No. 84.

The meeting, held last Thursday, opened with the flag ceremony. A moment later the following Cubs were given badges: Den 1; Scott Parker, folf Den 2, Garry Huston, Wayne Thiessen, wolf; Bill Teeter, lion; Rick Schweitzer, golf arrow, Garry Cowden, wolf.

Den 3, Bob Fies, lion; Jed Cyr, wolf. Den 4 Tom Sutter, lion, bear; Bill McCann, bobcat.

Following the presentations, members whom took part in the Cub-O-Rette put on their now famous comic skits.

BROADMOOR PROPERTY OWNERS BOARD ELECTIN FRIDAY NIGHT

All Broadmoor residents today were reminded to be certain to get out and vote Friday for members of the Broadmoor Property Owners Association board of directors.

The election is to be held at Colombo Hall, Colma, beginning at 8 p.m. There are four positions to be filled on the governing body.

Tom Jenkins has expressed a desire to be president of the board, and appears unopposed. Others seeking various positions are: J. Walter Thomas, Frederick A. Hilger, William Dias, Grant Holman and Mrs. Bernard Mayville.

To date no one has applied for the position of secretary to the board.

Further details on the candidates may be found in Verna Duste's column "Around The Villages."

Mrs. Gladys Holt Takes Office As VFW President

Holding their first regular meeting with newly elected officers last Wednesday were members of Lake Merced Post No. 9921 Auxiliary.

Mrs. Gladys Holt, incoming president, received the gaval of office, and brought the meeting to order.

(And apologies to Mrs. Holt. Last week the Record printed a picture of the new officers, but Mrs. Helt was not identified in the photo.)

Meanwhile, the Allied Sewing Guild of the Auxiliary held a meeting at the home of Mary Attebury, 1011 Nimitz drive last Friday. At that time projects for the coming months were discussed.

Of interest to all non members of the Guild was the announcement that soon friends of members will have an opportunity to take part in the activities of the Guild. But more about this will be printed in later editions of the Record.

Congresswoman Douglas To Fly

California's famed congresswoman, Helen Gahagan Douglas, will take to San Mateo County skies May 9 in her campaign for election to the U. S. Senate, the local Douglas for Senate Committee announced today.

Walter Warren and Frank Kent are Daly City chairmen.

Mrs. Douglas will cover the county by helicopter as part of the stepped-up drive now underway throughout the state.

She will speak in every San Mateo County community where room for a helicopter landing can be found, climaxing the tour with an evening mass meeting in South San Francisco.

The tour will start from the Ferry Building in San Francisco at 9:30 a.m. The candidate plans 30-minute speeches in each community, with about 15 minutes "air time" between appearances.

The schedule will be announced next week and local committees are urging as many residents as possible to hear the former stage and screen star outline the program for world peace and economic security she has fought for during three congressional terms.

Red Cross Quota Over The Top In Colma Area

Over the top with their Red Cross quota this week, the Colma-Broadmoor-Garden Village area is still accepting money for the organization.

This was the announcement made today by Mrs. Margaret Pauline Brown, chairman of the drive. She reported the area had a quota of $1,600, of which $1,633.-87 has been collected to date.

Thanks for the success of the drive must go to every person and business firm that so generously donated money, Mrs. Brown said. She wished to especially thank Ralph Damon, Garden Village chairman; Arthur James, Broadmoor chairman and Paul von-Kemps, Colma incorporated chairman.

Also, much credit should be given the members of both the post and auxiliary of Lake Merced Post No. 9921, VFW and American Legion Post No. 824. These members contributed much of their time to making collections in Broadmoor, Colma, and Garden Village.

Not to be forgotten are Mrs. Harding and Mrs. Paty, members of the VFW Auxiliary who staffed the ARC table in the Colma Bank of America. John Ferrari, bank manager, was a great deal of help, also, Mrs. Brown reports.

STEERING ADJUSTMENT

The automobile steering device is so designed that there is less "play" or looseness in the gears when the front wheels are exactly in a straight-ahead position, says the California State Automobile Association. The reason for this is because most wear occurs at this point; thus excessive looseness at the point most used is avoided. Difficult steering will result if for any reason this factory adjustment is changed.

Oraibi Pueblo, on the Hopi Indian Reservation, is believed to be the oldest continuously inhabited town in America, dating from 115 AD.

"NIGHT CLUB" DANCE --- MAY 13

Broadmoor VFW Post Schedules Event With Promises Of Prizes And Fun

Although "13" spells bad luck for most, it will be a charm for one and all who attend the Broadmoor VFW Post No. 9921 "Night Club" dance Saturday, May 13.

And why lucky, you ask? Simply because one person attending the dance is to walk away with an all-expense-paid trip to Reno for himself and anyone of his choice.

As for the others, they will have the benefit of beautiful dance music, a floor show, and retreshing refreshments in congenial surroundings.

The dance is to be held in Colombo Hall from 9 p.m. to 1 a.m. During the week the ladies of the VFW Auxiliary will prepare the premis r to resemble in no little way the luxury of the famed Copa Cabana club.

Music for the evening will be from that mellow gentleman of rythm, Tony Martin, and his band.

Interested? Certainly. So why not buy a ticket now while tickets are still available. The ducats may be had by calling Mrs. Jack Kelleher at PLaza 5-2949, or purchasing them from any VFW member.

This, by the way, is a splendid opportunity for you new members of the community to become acquainted.

A sapphire mine on Yogo Creek, in Montana, produces half of the nation's output of precious stones.

PUSHING YOUR LUCK

When you push down on the throttle of your car, you are pushing your luck dangerously, warns the California State Automobile Association. For safe driving, always keep your speed so controlled that you can bring your car to a stop quickly in case of emergency.

Zinfandel grapes yield a red wine.

RUBBER TILE?
Call The RUG MAN
CHARLES E. BRIED CO.
178 School St. - Daly City
PL 5-5840

Mr. and Mrs. Chirp are very very busy these Spring mornings. It takes most of their time to keep their children well supplied with worms and other dainty morsels on which fledglings thrive.

And they must be careful to return shortly lest some enemy disturb the nest. Too often Mr. and Mrs. Chirp have had to defend their children from danger. But always they have fought with all their might, and through their love have saved the babies from calamity.

And so it is that every living thing dwells in danger. Man especially must guard against evils; for in him they threaten body, mind, and soul. He, like the fledglings, must depend on some power greater and stronger than himself—a guardian of love.

"GOD is our refuge and strength, a very present help in trouble." To Him we must look for love and protection. To His Church we must come for salvation.

THE CHURCH FOR ALL . . . ALL FOR THE CHURCH

The Church is the greatest factor on earth for the building of character and good citizenship. It is a storehouse of spiritual values. Without a strong Church, neither democracy nor civilization can survive. There are four sound reasons why every person should attend services regularly and support the Church. They are: (1) For his own sake. (2) For his children's sake. (3) For the sake of his community and nation. (4) For the sake of the Church itself, which needs his moral and material support. Plan to go to church regularly and read your Bible daily.

Girl Scouts Clean Camp For Summer

By SHIRLEY BANE

Senior Girl Scouts of Daly City Troop No. 4 have been quite busy lately.

April 15 and 16 they took a trip to their summer camp in the Santa Cruz mountains, Camp Wasibo. Here they spent two wonderful days in the warm mountain sun.

The trip was principally for work and repairing the camp for summer. The girls painted and did other odd jobs to prepare the camp.

Other troops attending were from Sharp Park, Millbrae, South San Francisco, Lomita Park, Burlingame and an Eagle Scout troop from Burlingame.

The girls who attended from Daly City included: Shirley Banc, Lorraine Cady, Carley Carle Phyliss Blackbum, Mary Sea, June Prescot and Laverne Negal. Mrs. Cady was leader.

Another trip is planned for May 27 to 28. On this jaunt the girls will go to the Russian River.

D.C.F.D. Auxiliary No. 4 Installs New Officers

Recent activities of the Daly City Fire Department Ladies' Auxiliary No. 4 include an annual dinner and a barbecue.

The annual dinner was held Thursday evening, May 4, at the Coral Reef restaurant. At that time past officers and new officers were honored.

The new officers include Mesdames Katherine Welsh, president; Reba Anderson, vice-president; Josephine Slater, secretary; Virginia Alexander, treasurer.

Outgoing officers are: Mesdames Alicia Fillman, president; Katherine Welsh, vice-president; Margaret Fields, secretary; Henrietta Mather, treasurer.

Meanwhile, Sunday, April 23 a barbecue was held at the firehouse, Peoria and Roosevelt. Honored guests were Mayor Paul Green, the councilmen, fire commissioners, battalion chiefs, fire chiefs and their families. Members of Company No. 4 were all present.

Juicy, delicious steaks were cooked and served by the women.

Everyone has heard of Company No. 4's outdoor recreation court and horseshoe pits for the men and croquet for the women. Confidentially, the boys enjoy the game too, hitting the colored balls thru the wickets and sharing the croquet court.

Special mention goes to all who took part in planning the menu, and those on the kitchen detail, as well as the wives who helped prepare the dishes.

Work Progressing Rapidly On New Church Sanctuary

Now underway is the building of the new Grace Presbyterian church.

Work is progressing rapidly on the sanctuary, the first of the three units of the church plant. Site for the church is Winchester and Crocker.

The structure will be colonial style with steps approaching the main floor from Crocker avenue. On this flor will be the sanctuary, with a seating capacity of 300, the pastor's study and secretary's office and choir facilities.

The first floor will house a fellowship hall, and kitchen and storage rooms with entrance on Winchester.

After completion of this first unit an educational building will be added, and eventually a chapel.

Architect for the job is Donald Powers Smith of San Francisco; Joel Johnson and Sons, contractor; Thomas Tromborg and Sons, plumbing; L. A. Delatour, electrician.

"Daly City will be proud of this new community church," The Rev. William Harberts said.

Presently services are being conducted in the old church, Evergreen and Hanover. However, the Assembly of God congregation has purchased the property and uses it for services on Sunday afternoon and evening.

Baby Shower Held For Mrs. Donati

Mrs. Dino Donati, 32A Flournoy, was the honored guest at a baby shower given by Mesdames Sereni and Rossa last Tuesday.

While Mrs. Donati attended the party, the baby girl, born Friday, April 14, stayed at home. The shower was held in a beautifully decorated social hall, with the large stork proclaiming the reason for the party.

Entertainment was furnished by Ronald Harris, accordianist, and Curtistine Schorely, pianist.

Those attending included Mesdames: Amelia Donati, Minnie Bernardi, Katherine Casentini, Gertrude Warden, Hosca Donati, Peggy Jones, Mary Sams, Angelina Mahood, Sue Sampino, Rosella Intaschi, Irene Hunter, Iren Ferrando, Adele Brown, "Pebbie" Orner, Betty Wharton, Phyllis Bolger, Marie Pace.

Mary Sartos, Irene Rainey, Mary Holler, Leora Sick, Olga Conklin, Violet Embrey, Erma Rauch, Rosalie Murray, Billie Reordon, Dorothy Galli, Mary Free, Bonnie Ligouri, Pat Ford, Ruby Modesti, Violet Lund, Jessie Cooke.

CCPT Session This Monday

A special session for Seventeeth District CCPT officers and new chairmen only will be held on Monday, May 8, from 10 a.m. to noon in the Burlingame High school Little Theatre.

Mrs. C. J. Sirex of San Carlos, district president, will chairman the meeting.

Procedure for department leaders is to be stressed by Mrs. George Beanston, Jr., present State director of extension, from San Francisco. Post-convention material from Santa Cruz will be discussed.

All Parent-Teacher associations in San Mateo county are reminded that the annual Seventeenth District school of information is to be held on Thursday, May 18, in the San Mateo Congregational church at Tilton avenue and San Mateo drive. Emphasis will be on publicity and magazines with added conferences on programs, finance, membership and procedure boks for association chairmen.

Guadalupe PTA Installs Officers

New officers were recently installed for the Guadalupe PTA.

The installation was conducted at 950 Clement street, with Mrs. Jerome Gladwin taking over as president.

Other new officers include Mesdames E. L. Samuelson, vice-president; Alvin Perry, recording secretary; Clarence Switzer, corresponding secretary; Robert Valdez, financial secretary; Harry Bugler, treasurer; Theodore Luff, auditor; Jack Johannes, historian; Charles Stetz, parliamentarian.

Mrs. Kathaleen Spain and Miss Ruth Perchard were installed as honorary vice-presidents.

Meanwhile, the executive board meeting is to be held May 11 at 1 p.m. in the teacher's lunchroom.

Daly City Bethel Holds Joint Meeting

A joint meeting of Bethal No. 198, OJD, and Bethal No. 68, San Bruno, was held April 21.

Officers and choirs of both Bethels did their work well. Entertainment was put on by the girls of both Bethels.

The next meeting will be May 5, 7:30 p.m. at the Masonic Temple, 17 Hillcrest drive. All members are invited to attend.

D. C. Eagles Elect New Officers For Next Year

DC EAGLES ELECT—soc .....H

At a recent meeting of Colma-Vista Grande Aerie No. 1848, Fraternal Order of Eagles, new officers were elected to the chairs for the year 1950-1951. The officers are: Junior Past Worthy President, Frank Davison; Worthy President, Reginald Calvert; Worthe Vice President, Wilbert Carrington; Worthy Chaplain, Leonard Carter; Worthy Conductor, Delbert Fehl; Inside Guard, Gerald Summers; Outside Guard, John Mona; Trustee, Lawrence Romero.

Holdover as Trustee will be Emil Bertelli and a new Trustee will be elected to fill the vacancy of Gerald Summers when he takes his new office.

Installations of officers will be made at the Aerie's regular meeting June 1. Past Worthy Presidents of the Aerie to act as installing officers are: Arthur Bodien, Fred Collins, Bert Meritt, and John Craig.

Delegates to the Eagles' State Convention in Sacramento on June 16-18 were elected at the Aerie's last regular meeting. Attending the convention will be President, Frank Davison, the President-elect, Reginald Calvert, Secretary J. Tom Rae, and delegates Delbert Fehl, John Craig, Gerald Summers, George Wheeler, John Mena, Emil Bertelli, and Wilbert Carrington. At this meeting five new members were initiated into the Order: Dwight Foster, Anthony Cerks, Richard Liberty, Bernard Short, and Paul Televi.

Plans are progressing for Colma-Vista Grande's annual picnic which will be held on Sunday, July 16, at Skipper's Park outside of Woodcside. Wilbert Carrington is chairman of the Committee on arrangements.

Crocker P. T. A. Installs New Officers

Representing the Crocker PTA at the state convention in Santa Cruz next week will be the new PTA President, Mrs. Carl Berg.

Also present at the meeting will be past President Mrs. Erwin Schmidt, who turned over her office to Mrs. Berg April 18, at the annual teachers luncheon and installation.

The tables for the installation were decorated in the Easter colors. A most delicious lunch was served to 75 guests.

Honored guests at the special meeting were Mr. and Mrs. James Snell and daughter Sylvia; Hugh Falconer; Mrs. J. B. O'Bryant, 17th District officer and Crocker's counselor; Miss June Gross, school nurse; Mrs. Pauline Kagan, art teacher; Mrs. Muriel Vint, music; Miss Alfea Belli, speech; Miss Marjorie Tobias, principal; and all of Crocker's staff of teachers.

Also present were the various presidents of the Daly City-Colma PTAs, Mesdames: Dennis, Colma; Hopper, new Colma president; Freeland, past president of General Pershing; Jensen, president of Jefferson High; Chatham, Woodrow Wilson president; Adami, incoming president at Woodrow Wilson.

After the luncheons a short business meeting was held.

The installation then took place, with Mrs. J. B. O'Bryant in charge. She explained the duties of the several officers. Mrs. Effie Jordan pinned a gardenia on each officer. After she finished, Mrs. Erwin Schmidt pinned the president's pin on Mrs. Berg. . . .twenty-first president of Crocker PTA.

Mrs. Schmidt was presented a beautiful past president's pin by Mrs. Eason. The unit then presented Mrs. Schmidt with an appropriate gift.

New PTA officers include; Mesdames: Berg, president; Booky, vice-president; Traxler, recording secretary; Holcomb, financial secretary; Sorenson, corresponding secretary; Cheatham, treasurer; D'Isep, auditor; Davidson, historian; Schmidt, parliamentarian. Miss Tobias is honorary vice-president.

Meanwhile, Mesdames Schmidt, Berg and Bruhns represented Crocker PTA at the 17th district installation of officers April 20 at Palo Alto.

Crocker PTA won first place in the honorable mention district publicity book award. Credit for this must go to Mrs. Marge Calvin who compiled the book.

An executive board meeting was held April 25 to make plans for the coming May Day festival. Crocker will have a booth and sell cold drinks. Mrs. Schmidt, general chairman for the concessions, reminds all PTA groups to be present May 6 at the Jefferson High school to pick places for stands.

Serra High Mothers Elect Officers

At their meeting last week, presided over by Mrs. Herman Kruse, Serra High Schools Mothers' Auxiliary elected Mrs. Maurice McCormick of San Mateo president.

The following officers will serve with her for the 1950-1951 school year: Mrs. LeRoy Gast of San Mateo, vice-president; Mrs. L. Martinelli of Daly City, corresponding secretary, Mrs. James Daly of San Carlos, recording secretary and Mrs. Earl Giguere of Burlingame, treasurer.

The panel of new officers, which won unanimous approval, was presented by nominating committee members Mrs. J. J. Loretz, Mrs. N. M. Brisbois, Mrs. A. P. Gouailhardou, Mrs. Brignola and Mrs. M. McCormick.

Glow Club Members Busy

Activity has been the keynote of recent Glow Club meetings.

During a luncheon party April 19, 15 guests were present. The party was held at the San Francisco home of Mrs. George Young.

In March a diner party was held at the home of Mrs. Enld, president of the club. Mrs. Enld resides at Vallejo.

Going back even further, a luncheon was held at the home of Mrs. Leo Belle, Albany, during February.

Other hostesses for the various parties were Mrs. Jean Fox, Mrs. Laura Whiting and Mrs. John Redlinger.

GRACE PRESBYTERIAN CHURCH GREETS SPRING WITH BAZAAR, DINNER, DANCE

Arrangements were completed today for the annual Grace Presbyterian Dinner and Spring Bazaar this Wednesday, May 10.

The bazaar, at which a variety of useful household items will be sold, is to be held all day Wednesday at the Masonic Hall, 17 Hillcrest drive.

Then, at 5 p.m. the ladies of the church circles will put on a dinner. The homemade food is to grace the tables from 5 p.m. to 7:30 p.m.

Topping off the whole affair, there will be a dance. The dance is to work off some of the pounds gathered by eating the delicious food.

All money from the event is to be used for the construction of the new church.

Tickets may be obtained at the Colonial Gift Shop, 6272 Mission, or from any member of the church.

The Record Wants To Help You Win

The purpose of this paper is to serve you and your organizations through publishing items of interest.

Whenever we can go further, and assist some worthy cause, whether it be a Boys Club or the PTA, we are proud and happy of the fact.

Thank you, Mrs. Goldkuhl, and the Woodrow Wilson PTA, for the following letter:

Gentlemen:

"It was with great pleasure that the Wodrow Wilson PTA unit received the district award of first prize for its publicity record book.

"I should like to personally thank the Daly City Record for its kindness in reporting our news items. Without your assistance, it would have been impossible to achieve the award."

Sincerely yours.
Mrs. Edward Goldkuhl
Publicity Chairman.

Patricia McLeod Will Be Wed

Mr. and Mrs. George McLeod, 20 Miriam street, announced the engagement of their daughter, Patricia Mary, to John S. Byrne last week.

Patricia is a graduate of Jefferson High School, and well known in Daly City.

The future bridegroom is the son of Mrs. Elinor Byrne, 39 San Perdo road. Presently he is employed by a South San Francisco wire firm.

The couple is planning an August wedding. They have not yet decided where they will make their future home.

Crocker PTA Meets Tuesday

The next regular meeting of the Crocker Parent-Teacher Association will be held at the Pershing School this Tuesday, May 9, in the Pershing recreation room.

This is the first meeting under the leadership of the newly elected Crocker president, Mrs. Carl Berg, and her new officers and chairmen. Plans for the forthcoming year will be tentatively drawn, and old and new members will gather to exchange ideas on how parents and teachers can work best together to benefit their children and students.

Mrs. Sally Booky is the new program chairman and newly-elected vice-president, and she will have an interesting program for the meeting presented by a local dancing studio.

Mrs. Carl Berg is in Santa Cruz this week attending the Annual State Convention of the California Congress of Parents and Teachers. The group will convene Tuesday, May 2, and continue through the week, with important meetings, programs and luncheons on the agenda. Mrs. Berg has a full schedule ahead for the week, and accompanying her on the convention is Mrs. Henry Adami, newly elected president of the Woodrow Wilson Parent-Teacher Association.

Court St. Mary Mardi Gras Highly Successful

Thanks to the fine work of everyone on the Madri Gras committee, last Thursday's event was a great success.

The celebration was staged at the Masonic Hall by members of Court St. Mary No. 1155, CDA.

Mrs. Evelyn Weckerle was chairman for the event, and was responsible for its success. Thanks were also extended to the Daly City Pet Shop for the puppies they loaned to the show.

Am. Gold Star Sisters Now Accepting Members

Opening a membership campaign this week is the San Francisco chapter of the American Gold Star Sisters Inc.

Anyone interested in joining the organization may do so if they are an American citizen, 16, or older, and have had a brother, half brother, sister, or half-sister killed in either World War.

The group meets twice a month, once in the San Francisco War Memorial building, and once at various homes.

A special initiation meeting is to be held May 25. Those interested in becoming members are asked to contact Mrs. David Brughalli at WE 1-9606, or 2045 Greenwich, before May 10.

Fleet Auxiliary Entertains

Members of the Ladies Auxiliary Fleet Reserve Association No. 48 were not at sea when it came to finding a place to go during the past three months.

The Reserve has entertained extensively with many luncheons, teas, sewing bees and private parties. Proceeds from these affairs have been turned over to various charities.

The next luncheon, scheduled for May, will be held at the home of Mrs. Mary Dedrzinki. The day will be announced later in the Record.

Hostesses at recent parties include Mesdames: Dorothy Shea, Ruth Bishop, Virginia Bel, Helen Hanson, Barbara Simpson, Laura Whiting, Ruth North, Katheryn Jefferys, Patricia Kercheval, Gladys Holt and Catherine Ostrander.

New Members Join Auxiliary; Poster Awards Presented

An ever growing organization, the American Legion Unit No. 410 Auxiliary recently initiated 18 new members.

The twenty-sixth district ritual team was in charge of the initiation. Juanita Henderson, district president; Helen Berryessa, junior past president; Pete Bordson, commander; were but a few of the many distinguished guests present at the initiation.

New junior members include: Leanora Fenn, Donna Jensen, Evelyn Jeide, Mary Magnuson, Margaret Rector. Senior members bers are: Alice Forete, Rose Giusti, Patricia Green, Sarah Halloran, Mary Hilgrove, Edna Jeide, Evelyn Jensen, Leanora O'Neill, Dolores Pahlka, Margaret A. Rector, Zora Starkovick, Carlotta M. Valverde.

Meanwhile, Poppy Chairman Olga Bordson and her co-worker, Vivian Pahlka, presented the awards to the Poppy Poster winners at Crocker and Jefferson schools April 18.

Then, the next day, they presented the Unit awards at the assembly at Jefferson High. Also, at that time, Ahlma Evans, twenty-sixth district poppy chairman, presented Bernardo Merino with a beautiful trophy for having won first prize in the district.

District President Juanita Henderson congratulated the winners, and explained the meaning of the poppies.

Certificates of merit in the contest were presented to: George Fresenborg, Ronald Midtlie, Kenneth Klees, Leonard Mullen, Robert Gregerson and Basil Beeson.

Balboa High School Wins Ad Award

In a contest sponsored by the San Francisco Ad Club, Irene Utikal of Balboa High school walked off with first place, receiving an RCA Victor Television set, while seventh-spot award, a Chronograph watch, went to Nancy (Candy) Coolbrith, grand-niece of California's poet, Ina Coolbrith.

This competition, in which 40 students of Mr. A. Hummel's Advanced Composition classes entered, necessitated their writing essays of not over 1,000 words on the subject, "How Advertising Affects Our Daily Lives."

D. C. Legion Members Attend Ceremonies

Attending the dedication ceremony of the Redwood City Post No. 105 American Legion new hall last Sunday were several members of Daly City Post No. 410.

Pete Bordson, commander, said today he wished to thank Gordon L. Gilbert, sgt-at-arms, for seeing that the Post's colors were displayed on the stage of the new hall.

Brownie Troop No. 15 Elects New Officers

New officers for Brownie Troop No. 15 were elected at their last meeting on April 22.

Mary Alice Olsen is the new president and Sherrill Klingler is the vice-president.

We have a new girl in our troop. Her name is Mardell Fox. We have all been working on making cat tails and expect to fix them into pot-holders and maybe rugs. Also, the troop is planning its first cook out in a few weeks.

VFW Auxiliary Team Has Busy Week

The installing team of Old Glory Auxiliary No. 2044 was busy over the past week assisting in various installations.

Among these was the installation of officers at Ocean Shore Auxiliary No. 5472, Tanforan-Burlingame Auxiliary No. 2517 and Matalan Auxiliary No. 2068.

Members of the installing team include Mesdames: Ruth Brulez, Eleanor Cochran, Mary Conti, Ethel Dorn, Bonnie Ellenwood, Myna Heffron, Elsie Ileton, Marj Johnson, Nellie Jensen, Catherien McKeown, Clara Poket, Lorraine Schneide, Elizabeth Sorensen and Shirley Walker.

D. C. Represented At Camping Event

Daly City was represented at the annual San Mateo county troop camping event last week end by eight local Girl Scouts and leaders.

Present were: Mrs. Cecil Saarinen, Jane Kennedy, Carol Bertelli, Roberta Taylor, Beverly Hamilton, Mary Jane Schuler, Marguerite Cripps and Jean Chamberlain.

The girls left Daly City by truck at 5:30 a.m. Friday. The first night was spent in inspecting their units, unpacking and getting settled down for the night.

In the morning the girls cooked breakfast, packed their nosebag lunches and hiked to La Honda. Although a short distance by car, on foot the mileage was estimated by the girls as from three to 12 depending on their hiking ability.

After eating lunch at La Honda, the girls hiked back to camp where they prepared a simple dinner without the benefit of regular plates.

Dinner was followed by a general council fire at Millbrae.

Sunday, the girls explored the camp, visited girls in other units and became better acquainted with young ladies from surrounding towns. After lunch they broke camp, and returned home.

D. C. Scout Ticket Sale Champions

Troops 249, Boy Scouts of America, Daly City, is in first place in the San Francisco Area Council in ticket sales for the Scout Exposition being held Friday and Saturday, May 5 and 6 at the Cow Palace.

The troop has sold over 400 per cent of its quota.

Donald Parshall, Tenderfoot Scout, Troop 249, leads in individual selling in the San Francisco Area, with the sale of 260 tickets. He received special recognition for his excellent salesmanship.

Shoulder bags were awarded to the following scouts for their outstanding sales work; Donald Parshall, Hermann Pelz, Charles Derham, Orin Wakefield, and Michael Trexler.

Buddy Kruse, Angelo Lena, and Woody Rupp received their Tenderfoot badges at last night's meeting held at Bellevue Hall.

The weekend of May 19 to 21 has been set for a troop overnight campout at San Mateo Memorial Park. Patrol leaders and troop officers spent Sunday, April 23, on an all day hike in the La Honda forest, passing First and Second Class tests.

Plans have been completed for the troop's participation in the May Day festivities. The scouts will march in the parade and later act as ushers at the fete.

Troop 249 Mothers Club will sell cake and coffee at the high school grounds during the May Day program. All proceeds from the sale will go to the troop treasury to be used for scouting equipment.

S. F. Host To Nurses From May 7 to 12

Between 8,000 and 10,000 registered nurses from all parts of the United States, Puerto Rico and Hawaii will converge on San Francisco next week for the 1950 Biennial Nursing Convention, May 7-12.

Theme of the meeting is "Health, A unifying world influence: Nursing accepts its role." The biennia! meeting is sponsored by the American Nurses Association, the National League of Nursing Education and the National Organization for Public Health Nursing. The California State Associations of the three groups will be hostesses.

Considerable attention attaches to the biennial of the three national nursing organizations inasmuch as they set policy for the next two years. The delegates in San Francisco will represent 200,000 professional, registered nurses.

Happy Birthdays!

Harry, the "happy baker" wishes the following local residents happy birthday this week:

May 1—Judith Silvestri, 163 Werner street.

May 2—Angelo Martinelli, 407 Santa Barbara.

May 3—Luida Blom, 75 W. Cavour; Jerome Yonge, 468 Woodrow; Lorrin W. Martinelli, 7 East Market; Carol Blom, 75 W. Cavour.

May 4—Irvin Kramer, 231 Acton; Karen Moresco, 328 Railroad avenue; Irene Brotsch, 56 Mateo; Elaine Fopiano, 799 Hillside boulevard; Eleanor Shulda, 82 Market.

May 5—Dorothy Kramer, 231 Acton; Alfred Toschi, 1832 Sweetwood drive; Rena Moresco, 328 Railroad avenue.

May 6—Blache Mann, 7301 Mission; S. Efeantione, rt. 1, box 36, Colma.

Smith "Quarry" Case Delayed Until May 18

The case of Daly City vs. H. H. Smith Sr., 187 Irvington, has been put over until May 18, Mayor Paul Green said today.

Centering around city condemnation of three-quarters of an acre of Smith's property in the Wellington avenue quarry, the case opened in San Mateo superior court last week.

Smith is requesting a total of $206,274 for the property and damages. The city has offered $5,022 for the land.

Children Plus Matches Bring Daly City Firemen

Children playing with matches accounted for the one fire alarm in Daly City over the weekend.

The call came in at 8:50 a.m. Saturday near the home of a Mrs. Jones, Taylor and Market. When blaze busters arrived they found a mattress and several blankets on fire.

Applying water to the fire, the hose hoisters soon had things under control. The fire was started by unidentified children playing with matches in the vicinity, firemen said.

Damage was at a minimum, reports indicate.

Hillcrest Circle To Install Officers

Hillcrest Circle No. 143, UAD, will hold its installation of officers Monday, May 8, it was announced today.

The installation will take place at 8:30 p.m. in the Blue Room of the Masonic Hall, 17 Hillcrest drive.

Members and the public are cordially invited to attend.

The gasoline age has modified a Biblical injunction. Sunday is the day of arrests. . . **The Green Cross.**

Be as courteous behind the wheel as you are in your home and you will have an excellent chance of avoiding an auto accident, the **Green Cross** says.

BAYSHORE VISITACION VALLEY

By Bernice Hendryx JUniper 4-6449

Fire Commission News: Here's the new proposed tax rate for the fiscal year.

It's 55 cents, a raise of 34 cents over this year. We knew it was coming. Just didn't know how much, so there it is. That was one of the things taken care of at the meeting of the new Fire Commission last Monday night. They also moved to stop all cash purchases over $5.00 by any member of the Department, and all orders for equipment must be signed by two or more of the commissioners from here on out.

A lengthy letter from the Attorney General's Office was also read. It was evidently an answer to a letter that the Fire Commission had written to them in regard to putting the new hydrants on Southern Pacific Property. The letter quoted from this and that section of the Health and Safety Code, and from this reporters view, it was like most letters of that nature. It didn't say anything for sure for three full pages, and wound up by being Sincerely Ours. This question of new hydrants has caused a great deal of controversy in the community.

People have asked questions such as: Can we afford it? Will Southern Pacific grant us a public right of way through their property? (We can't put hydrants on private property.) Are there other localities in the community that should have hydrants before this is considered? We do know that Southern Pacific pays an enormous insurance rate, because they do not have adequate Fire protection.

Your answer to some of these questions would be just as good as the next fellows. I say, ask the Fire Commission.

DEN MOTHERS

We finally have that new den mother we need. Mrs. D. Barry stated that she would soon take over the running of the new Cub Den that is badly needed here in the valley.

Our Girl Scouts are taking part in the big May Day parade and celebration in Daly City. The event comes up this Sunday, May 7, and promises to be really something, with queens and a court and the whole works. Starts at 2:30 p.m., so all you late risers have time for breakfast.

PICNIC PARTY

Almost the entire Mr. and Mrs. Club threw themselves a picnic at Flood Park last week-end. A bring your own deal, with baseball and horseshoe pitching thrown in. What a technical umpire would have done to that ball game shouldn't happen to a dog, but it was fun for everyone.

Here's another washing machine wring story that isn't so funny. Mrs. Cappa, of 116 McDonald caught her finger in the wringer, and was rushed to the Emergency Hospital by her neighbor, Mrs. Franks. Six stitches had to be taken.

SCOUT NEWS

The Scouting Exposition is scheduled for the Cow Palace on May 5 and 6. All Boy Scouts in the San Francisco area are participating. All troups and their Cub Packs have each been given a booth, and the things these youngsters are doing is amazing. Their displays take in any and all conceivable handicrafts and hobbies, including metal work, painting, radio, rope making, Indian crafts, woodcarving, and so on at great length. Our boys are troop 145, and their display is bridge building. Our Cub Pack has a magic show that's a wow. Take it in neighbors. It will give you a new insight to the potentialities of our Young America.

There was a meeting of Boy Scout parents at the Sanitation Hall last Monday night, and Mr. Peterson, from Scout Headquarters spoke to them. The meeting was to appoint a new Scoutmaster for our troop. He is Mr. Dan Blaga of 3159 Geneva, and his assistants are Mr. Shere, Mr. Brey, and Mr. Dirks.

The Improvement Club just appointed a new dance committee, and they are going to give an anniversary dance for the club the early part of June. The new chairman of the committee, Mr. Salsbery, is celebrating his wedding anniversary the first week of June also, so his personal touch makes it well worth looking into.

Correction dept: The bride of the big wedding we wrote of last week is Theresa Ann Erceg, not Ereg.

Anyone wondering what ever happened to the plan to finish widening Geneva? The county opened bids on May 2, and work will begin within 10 days. We've been promised a stop signal at Geneva and Schwerin Sts. to boot.

NEW BUSINESS

Mrs. Mary Kapukui of 239 Rio Verde has taken over the Little Bruno Cafe at Geneva and Mission, right across from the Jitney Stand. She opened for business Wednesday. Let's all go up and drink her health in soup. I hope you make good soup Mary, 'cause I like good soup.

We called the owner of the lot at Geneva and Rio Verde Sts., and the talk is true. Another business going in. A used car lot this time.

Mr. Paul Thomas of 3175 Geneva Ave. has sold his home, but not to a newcomer. The buyer is Johnny Hampton, owner of the Shell Station at Bayshore and Geneva. Johnny has been renting on Schwerin up until now. Mr. Thomas is a member of our local school board, and we are sorry to see him go.

LAW SUIT

This law suit for $40,000.00 that Arley King has brought against Bert Ford and Les Parker has the valley by the ear. Ford and Parker are defeated candidates of the last Fire Board election. The suit was brought by King over political leaflets that were distributed in the district. Rumors have been rampant, ranging from amazing expose to retraction. The only one with a comment is Bert Ford. He states that there is no possibility of a retraction, and that he personally is pleased that this issue has been forced.

The PTA will have an evening meeting on Friday, May 12. Refreshments will be served.

The regular meeting of the Voters League will be held Thursday, May 11, at 8 p.m. Refreshments will be served.

SUMMONS
No. 50978

Action brought in the Superior Court of the State of California, in and for the County of San Mateo; and the complaint filed in said County of San Mateo, in the office of the Clerk of said Superior Court.

IN THE SUPERIOR COURT OF THE STATE OF CALIFORNIA, IN AND FOR THE COUNTY OF SAN MATEO

Wanda O. Pragman, Plaintiff vs. Carl Pragman, Defendant.

THE PEOPLE OF THE STATE OF CALIFORNIA SEND GREETINGS TO:

Carl Pragman, Defendant.

You are hereby required to appear in an action brought against you by the above named plaintiff, in the Superior Court of the State of California, in and for the County of San Mateo, and answer the complaint filed therein within ten days (exclusive of the day of service) after the service on you of this Summons, if served within said County, if served elsewhere within thirty days.

And you are hereby notified that if you fail to so appear and answer, the plaintiff will take judgment for any money or damages demanded in the complaint as arising upon contract, or will apply to the Court for any other relief demanded in the complaint.

Witness my hand and the Seal of the Superior Court of the State of California, in and for the County of San Mateo, this 24th day of February, A. D., 1950.

CITY OF DALY CITY STATE OF CALIFORNIA NOTICE TO CONTRACTORS

Sealed proposals will be received at the office of the City Clerk of the City of Daly City, California, at the City Hall, until eight o'clock p.m. on Monday the 22nd day of May, 1950, at which time they will be publicly opened and read, for construction of a water system and appurtenances in Concordia Land Company and Adjacent Territory in said City.

No bid will be received unless it is made on a proposal form furnished by the City Engineer. Each bid must be accompanied by cash, certified or cashier's check, or bidder's bond made payable to the City of Daly City for an amount equal to at least ten (10) per cent of the amount bid, such guaranty to be forfeited should the bidder to whom the contract is awarded fail to enter into the contract.

All bids are to be compared on the basis of the City Engineer's estimate of the quantities of work to be done.

Forms of proposal, and specifications may be obtained at the office of the City Engineer, 2383 Broadway, Redwood City, California.

The special attention of prospective bidders is called to the "Proposal Requirements" being a part of the specifications, for full directions as to bidding, etc.

The City of Daly City reserves the right to reject any or all bids.

Bayshore First S. M. County Town To Reach Quota

Bayshore City is the first town in San Mateo County to go over the top on the American Cancer Society campaign now going on. Due to the diligent efforts of Mrs. Arley D. King and her committee, $586.70 has been raised to date. That is 146 per cent of the Bayshore Quota.

Last year Bayshore failed to make its quota and the committee were determined that should not happen again. They sponsored a big dance with booths and auction of donated merchandise, etc., and came through with flying colors.

Mrs. King, Campaign Chairman, beemed on her hard working committee. "They have been inspired," she said. "It isn't just that we wanted to wipe out last year's shortage. We worked to save lives."

But the committee had the last word. "It takes a leader to inpire the workers." The committee members are: Mesdames Esther Armos, Dorothy Scatena, Emma Taylor, Eric Carlyle, Myrtle Scantena, Dorothy Haines, Mary Calorio, G. Tomich, Eva Kahn, Dorothy Walling Sr., C. Murphy; Messrs. Frank Scatena, Bob Pares, Bruno Scatena, John Armos, Arley King, David Barry, Frank Barbana, Les Hains.

STATE OF CALIFORNIA DEPARTMENT OF PUBLIC WORKS DIVISION OF HIGHWAYS NOTICE TO CONTRACTORS

Sealed proposals will be received at the office of the State Highway Engineer, Room 510, Public Works Building, Sacramento, California, until 2 o'clock p.m. on May 24, 1950, at which time they will be publicly opened and read in the Assembly Room of said building, for culvert installation on Sate Highway in accordance with the specifications therefor, to which special reference is made, as follows:

San Mateo County, on Alemany Boulevard, at Westlake Subdivision, in Daly City (IV-S.M-56-D1C), a culvert to be installed.

Bids are required for the entire work described herein.

In accordance with the provisions of Section 1770 of the Labor Code, the Department of Public Works has ascertained the general prevailing rate of wages applicable to the work to be done to be as follows:

Classification	Rate per hour
Apprentice (oiler, fireman or watchman)	$1.94
Carpenter	2.225
Cement finisher (journeyman)	2.20
Concrete mixer operator (up to one yard)	1.94
Concrete mixer operator (over one yard)	2.24
Flagman	1.55
Laborer	1.55
Operator of jackhammers—vibrators and all air, gas and electric tools	1.675
Operator of power shovel and/or other excavating equipment with shovel-type controls (up to and including one yard)	2.59
Operator of power shovel and/or other excavating equipment with shovel-type controls (over one yard)	2.69
Reinforced steel worker	2.25
Tractor operator	2.29
Truck driver (8 cubic yards water level capacity or more)	2.20
Truck driver (6 cubic yards less than 8 cubic yards water level capacity)	1.83
Truck driver (4 cubic yards and less than 6 cubic yards water level capacity)	1.74
Truck driver (less than 4 cubic yards water level capacity)	1.61
Any classification omitted herein not less than	1.55

Overtime—one and one-half (1½) times the above rates.

Sundays and holidays—one and one-half (1½) times the above rates.

Plans may be seen, and forms of proposal, bonds, contract, and specifications may be obtained at the office of the State Highway Engineer, Public Works Building, Sacramento, California, and they may be seen at the offices of the District Engineers at Los Angeles and San Francisco, at the office of the District Engineer of the district in which the work is situated, and at the office of the Associated General Contractors in San Francisco.

No bid will be considered unless it is made on a blank form furnished by the State Highway Engineer and is made in accordance with the provisions of the Proposal Requirements and Conditions set forth under Section 2 of the Standard Specifications. Each bidder must be licensed and also prequalified as required by law. (See said Proposal Requirements and Conditions.)

The Department of Public Works reserves the right to reject any or all bids.

Bayshore Chief Files $40,000 Libel Suit

Facing a $40,000 libel suit, two defeated candidates for the position of Bayshore City fire chief were still silent today.

The suit was filed last Thursday by Arley D. King, present fire chief, who charged the two were responsible for the circulation of handbills which accused him of accepting payoffs from gambling establishments in the community.

Named in the libel suit is Leslie H. Parker, an upholsterer and Bert E. Ford, a retired shoemaker.

Neither of the men were available today for comment, although indications are that the case will "blow up" in a law suit sometime next week.

Both Parker and Ford were candidates for two positions on the three member fire board at the April 3 election. They were defeated by a majority by incumbents, Frank Scatena and Ted Yaley.

King, who supported the incombents, was a principal issue in the election. Both the defendants wished to oust him, King asserted.

In his complaint King said he had been fire chief for the past 10 years, and he had always conducted himself honestly.

Waves Now Wanted By U. S. Navy

A limited number of young girls between the 20 and 31 years of age are being selected for the Navy Waves.

Navy experience opens new doors of opportunity to you, for Navxy training is carefully directed to discover and develop individual talents. You have opportunity for specialized instruction and self-improvement the Navy way, and you earn while you learn. You advance in rate and pay as you become qualified.

You may be assigned to duty at shore stations overseas, as well as in the United States. Wherever you may be stationed, you will find new and stimulating surroundings for both work and play. Each year you will receive thirty days vacation with pay.

Inquire today, before the limited quota is filled. An hour of your time may bring you generous and satisfying dividends in training and travel, along with a secure, well-paid career.

For complete information about the Navy WAVES, telephone or visit the Navy Recruiting Station, Post Office Building, San Mateo, Phone DI 4-2781.

OBITUARIES

Lt. A. A. Marcucci

Funeral services were held Monday, April 24, at Golden Gate National cemetery for Lt. Andrew A. Marcucci, killed in action in Europe in 1946.

A graduate of Jefferson High school, Andrew was popular as a singer with the Jefferson High Rythm orchestra.

The lieutenant was the son of Mr. and Mrs. A. J. Marcucci, formerly of 453 Bellevue, now residing in San Francisco.

He is the brother of Helen Bernardi, 333 Peoria and Mrs. Lorraine Wilson of Vallejo and Ronad Marcucci of San Francisco.

John Livingston

Funeral services were held Tuesday at the W. C. Lasswell chapel for John Livingston, 85, 359 San Diego, who died at home last Sunday.

The retired railroad man had lived in Daly City for the past 15 years, and was a native of Scotland.

He is survived by the late Mrs. Agnes Livingston, and children: Joseph, Andrew, Jack, James, Nettie, Mrs. Alex Findlay and Mrs. Tom Kayes, all of San Mateo county.

There are seven grandchildren and three great grandchildren.

Interment was at Olivet Memorial cemetery.

Nicholas L. Franco

Funeral services were held Friday, April 28, for Nicholas L. Franco, 65, 380 San Diego avenue, who died at a local hospital Thursday, April 20.

A resident of Daly City for the past 30 years, Franco was employed as a boiler inspector for Southern Pacific railroad.

He was a native of Milan, Italy and leaves a widow, Margaret of Daly City, and a daughter, Mrs. Dorothy Sousa.

Private services were held in Colma.

Railroad crossings' greatest need:
Twice the caution — half the speed!
(Make those grade crossings in the **Green Cross manner.**)

County Tax Delinquency Low

Thanks to all time high property values in San Mateo county, tax delinquency this year will hit a record low, Ralph C. MacArthur, San Mateo county tax collector predicted today.

By June 30 the delinquency is expected to be less than one per cent. The previous low was in 1947 when delinquency was at 1.4 per cent.

Taxes became delinquent on April 20. The rate at this time is 2¼ per cent, compared to last year's 2½ per cent.

City Issues $160,000 In Building Permits

Building permits totaling $160,000 were issued to three concerns by the city last week.

Largest permit went to the Hillside Manor Corporation for 18, six room homes in the Abbey homestead. Total value of this permit was $127,600.

Martini & Sons were issued a permit for three five room homes in the 300 Peoria block. The value of this permit was $21,000.

Another permit for $11,500 was issued Salvatore Torrono for a frame store at 6540 Mission.

Pacific Greyhound On Daylight Saving

All Pacific Greyhound Lines schedules in California will operate on Daylight Saving Time beginning April 30, effective date of the California Daylight Saving law, Glen G. Magnuson, general traffic manager of the company, announced today.

The company is preparing new time folders, revised in accordance with the Daylight Saving changeover. They will be available for distribution prior to April 30.

Majority Of Jeff High Night Classes Close

The majority of night classes at Jefferson High school discontinued Friday, April 28, Stanford Hannah, principal, said today.

However, two classes will continue as long as the attendance justifies.

These classes are "English for the Foreign Born," meeting Tuesday and Thursday from 7 to 9 p.m.; and "Sewing," meeting Tuesday from 7 to 9 p.m.

Anyone wishing to enroll in either of these classes may do so at any time, Hannah said.

POLITICALLY SPEAKING

(Hoping to inform voters in the coming June 6 state and San Mateo county primary, the Daly City Record each week will print the news and views of various candidates, and issues involved in the election.)

Congressman Nixon Calls The Spades

"Watch Nixon for the United States Senate!"

That's what trained observers are saying today throughout the state, particularly after the recent swing of the youthful and dynamic Congressman, who came northward from Fresno county to San Francisco county, literally covering 16 counties in nine days, with better than an even 100 addresses made to voters in every walk of life!

Does he call a spade a spade? Consider these recent statements, on pressing problems of today: problems that affect us all:

Safeguarding American Rights and Lives: "No American military plane should be sent into a danger zone unless it is armed and our personnel given instructions to return fire, when fired upon," referring to the recent Baltic incident.

Labor vote: "I have been informed that certain leaders of the AFL League for Political Education have joined the CIO in endorsing my opponent for United States Senator," Congressman Nixon stated at Paso Robles recently.

"As individuals, these men have the right to support any candidate they want for this office; but in these United States of ours no leader of either labor nor management has a right or power to compel anyone to vote the same way he does."

Roosevelt Joins Forces With Miller

Democratic National Committeeman James Roosevelt, candidate for Governor, and State Senator George Miller Jr., Democratic candidate for Lieutenant Governor, have joined forces for the balance of the 1950 campaign, it was announced this week.

"We have yielded to insistent demands from the rank and file of the Democratic Party of California and from the working people of this state that our separate but similar campaigns be joined in the interests of greater force and effectiveness," a joint statement read.

Senator Miller will join Roosevelt's street - corner campaign where his present schedule permits. The gubernatorial candidate has already spoken to more than 100,000 Californians from the platform of his converted Army truck-trailer.

Last week, labor support of the Roosevelt campaign became complete when the political arm of the California Federation of Labor, A.F.L., endorsed by an overwhelming majority James Roosevelt's candidacy. The C.I.O, the International Association of Machinists, and 21 of the 22 Railroad Brotherhoods of California had given their backing to Roosevelt earlier.

Garrity Backs Proctor Jones

William J. Garrity, 11 North Delaware, San Mateo, who gave serious thought to becoming a candidate for sheriff, has added his strength to the campaign to elect Proctor Jones as sheriff, it was announced today by A. D. (Don) McLean, chairman of the Proctor Jones for Sheriff Committee.

Garrity will serve as co-chairman.

A resident of the county for 10 years, Garrity returned from Guam late last year. He was on the island from 1946 to 1949, serving as police chief for the Brown-Pacific-Maxon Company which employed 10,000 persons on a military contract.

Prior to his service on Guam, Garrity was the popular head of the security force at the Bethlehem Steel plant in South San Francisco.

Pat Brown Gains Varied Support

Business, labor and professional groups, through official endorsement action, are marshaling their suport behind San Francisco, District Attorney, Edmund G. (Pat) Brown, in his snowballing campaign for Attorney General of California.

The Civic League membership comprises San Francisco business and professional men and their endosement is implemented by direct mailing to every registered voter setting forth the reasons why the candidate endorsed deserves the support of all voters. The league is non-partisan.

Brown's labor support mounted with his endorsement by the California Machinists' Nonpartisan Political League, political action arm of the International Association of Machinists, and the acceptance by Dan Del Carlo, secretary-treasurer of the AFL San Francisco Trades Council, of the Statewide chairmanship of Brown's AFL campaign committee.

Spiller Wants End To Gambling in S. M. County

Challenging the present sheriff to explain his inability to end organized gambling in San Mateo County during the 23 years he's been in office, Robert "Bob" Spillers today declared he can and will "destroy organized gambling in San Mateo County" when he is elected.

Newspaper reporters have shown, time and time again, Spillers charged, "that organized gambling flourishes in this county. The California Crime Commission reports show that the present Sheriff has not done anything to stop organized gambling in this county. Reputable newspapers have shown, time and time again, that so-called "raids" have been made long after illegal gambling operations have been publicized.

"Wake up to your danger," Spillers warned. "Do you want to keep living in a county where public official admits personal friendship for known gambling figures? Do you want your children always exposed to the evils which organized gambling brings? Do you want your children degraded and shamed because organized crime—with its hoodlums and dope and other crime—is winked at in San Mateo County? You know what has happened elsewhere—gang bombings, gang murders and whose. Are you going to sit by and let San Mateo County become another haven for gangsters and organized gamblers and hoodlums?"

Judge Draper Receives Support

Gaston W. Periat, prominent San Mateo automobile dealer, is among those peninsula citizens who are today taking an active part in the campaign to retain Superior Judge Murray Draper on the superior court bench in the June 6th primary election.

Chairman of the Draper Campaign Committee, Periat commented on the drive to pile up a winning ballot for Judge Draper. He said:

"Superior Judge Murray Draper, war veteran and the San Mateo County civic leader, has an outstanding background as a trial lawyer. This excellent background is reflected in the way he has conducted his court after having been elevated to the high court post.

"Judge Draper as a magistrate has shown the public that he is fair, efficient and fearless in the administration of his judicial position.

"The fearless, fair and efficient manner in which Judge Draper presided over the recent Breslauer murder trial and the recent Peter Dahl bribery trial has attracted the attention of the lawyers of the state and has brought forth the praise of the judiciary throughout the State of California.

"Like other citizens on his campaign committee, I consider it both a privilege and a public duty to seek to return hom to his post by ballot on June 6th, 1950."

Judge Draper's campaign has been endorsed by 96 per cent of the county's lawyers, the San Mateo County Bar Association, San Mateo County Chapter of Pro-America, and Peninsula Local No. 1414, Automobile Division, International Association of Machinists.

Jack Anderson Considers Strike

Jack Z. Anderson, Eight District Representative, today sent the following wire to President Truman:

"Impending railroad strike which would affect railroads serving the Pacific Coast threatens to be disastrous to industrial and agricultural economy of California. Highly perishable spring crops are now being harvested and lack of transporation would adversely affect thousands of California farm producers.

"In view of findings made by Presidential Fact Finding Board, it appears that strike would be senseless and costly. Urgently request that you use full authority under Railway Labor Act to prevent threatened tie-up of railroads at this time."

As Chairman of the California Delegation Subcommittee on Agriculture, Anderson is calling a meeting of his committee this afternoon to discuss the strike situation further, and decide what action should be taken by the Delegation.

Proctor Jones For Sheriff

Carrying the campaign right to the individual voter, ten committees went into action today in the drive to elect Proctor Jones sheriff. Additional groups in other country areas will be at work within a week, it was announced by A. D. (Don) McLean, chairman.

Leaders in the district drives already under way include:

San Mateo: Richard P. Wiseheart, Walter G. Hyman, William J. Garrity, Frank W. Bland Jr., C. R. MacDiarmid.

Burlingame: Cedric T. Bristow.

San Carlos: E. Lorin Dennison, Mrs. Lester Falt, James E. Regans.

Millbrae: Robert F. Thompson, Herbert E. Files, George W. Felty, Frank W. Bland Sr., Mrs. Arthur F. Huhs.

Lomita Park: Peter McGrath, R. Fakkema.

Buri Buri: Mrs. Daniel R. Kelley.

All groups will wage a door-to-door campaign to enlist support of all voters who seek a return of fair and equal law enforcement.

Hall Gains County Support

Henry C. Hall, present assistant county school superintendent, will have the active support of a county-wide group of citizens in his bid for election to the office of county school superintendent at the June 6th balloting, according to a statement issued today by Rear Admiral S. B. Johnson, local resident and retired naval officer, who has taken over the chairmanship of Hall's campaign.

Johnson said that Hall's many years of school service as teacher, principal and school superintendent, makes him singularly quilified to take over the responsibilities of the office where he has served as assistant county superintendent for the past 6 years.

Johnson pointed to Hall's long and distinguished record in the county system through which he has advanced office by office through his ability as an outstanding educator and capable administrator.

Jack Anderson States Platform For Re-election

Jack Anderson, incumbent Republican candidate for U. S. Congress, today stated his platform for reelection.

Anderson said:

"We must continue to aid World Recovery and support our Western European allies to the limit of our ability. But we must not negotiate tariff treaties which will undercut our standard of living, or blindly give such huge sums for aid that we will bankrupt ourselves. Such a course would only serve the cause of Communism. I have constantly supported the United Nations Organization and the E.C.A.

"People of this country are no longer passive about ever-rising taxes. They are demanding the removal of excise taxes, all wartime taxes, and further reductions in income taxes. No one of average income can hope to save money for emergencies of old age unless our tax structure is revised. We do not need 42½ billion dollars annually to run this country honestly, and we must stop deficit spending. That's the way I vote.

CIVIL RIGHTS

"The Constitution of the United States guarantees all of our civil rights — completely, de.initely. Education, not legislation, is the best way to promote racial tolerance. I have, of course, supported legislation which is needed to enforce the basic guarantees of the Constitution.

LABOR

"The Taft-Hartley Act, when properly administered, has proven to be successful in eliminating labor strife where labor or management have been unwilling to bargain collectively. For the best interests of the general public, we must keep on the statute books a labor-management relations law which is fair to both sides. The Taft-Hartley Act is workable, needs some revision to make it more so, but it definitely has a permanent function in our government. I am opposed to its repeal.

VETERANS

"I have always supported reasonable and justifiable legislation for the assistance of our veterans. The entire country recognizes the debt we owe the men and women who risked their lives in the defense of the nation. We must continue to afford them the benefits and security to which they are entitled with special attention to disabled veterans and the living dependents of our war dead."

DeSalvatore Gets Support Of Labor

Charles De Salvatore, Burlingame-San Mateo automobile executive and candidate for county controller at the June 6 election, today was notified he has received another labor endorsement.

De Salvatore said a letter from T. M. Sartain, recording secretary of the Peninsula Automotive Mechanics, informs him he has received their endorsement for the controller's post.

De Salvatore said this is the second important Labor endorsement he has been given in his race for the controller's job. Previously he received the backing of San Mateo County's American Federation of Labor Political Education Committee, which is considered the equivalent of acceptance by the Central Labor Council.

In addition the candidate has received the endorsements and active support of automobile dealers' groups from virtually every section of the county. De Salvatore extended his appreciation to "the thousands of voters who are helping me with my campaign."

Cub Pack No. 63 Holds Brief Meet

Awarding Bobcat pins was the principal action taken at the last meeting of Cub Pack No. 63, Friday.

The pins were first given to parents, who in turn gave them to their respective sons.

This was followed by a comic skit put on by the boys in Den No. 2 and 3. D. C. Gensel, scout chairman, delivered a short talk on scouting.

It also was announced that the Pack will now meet at Bellevue Hall, 337 Bellevue, the last Friday of each month.

Meanwhile, anyone wishing to obtain a ticket to this week's scout show at the Cow Palace may do so by contacting any of the Pack members.

Jeff High PTA Executive Board Meets Thursday

Jefferson High school PTA's executie board will meet Thursday, May 11, at 11:30 a.m., it was announced today.

The meeting will be held in the home of Mrs. Peter Bordson, 614 Templeton avenue.

Following the regular meeting there will be a short business meeting at the High school, followed by a fashon show. The fashions will be staged by the Home Economics department of the school under the supervision of Miss Elizabeth Jones.

Meanwhile, a program committee from the PTA met Tuesday to outline a program for the coming year. Those present were Stanford Hannah, Miss Kramer, Mrs. Daniels and Mrs. Grace Hill.

And of special interest to all Daly City residents was the installation of officers of the seventeenth district PTA last week. Installed as president was a former Daly City resident, Mrs. C. J. Sirex.

Among those attending from Daly City was Mrs. Clara Poket, mother of the new president, who was presented at the meeting by Mrs. Grace Hill, outgoing president of Jefferson High school PTA.

Delegates attending the California convention of the PTA, held in Santa Cruz this week were: Mrs. Bryon Jenson, president; Mrs. Freida Pistohl, historian; Mrs. Grace Hill, who will sing with the "Mothersingers."

FISH AND GAME NOTES

by Jimmy Fox

Contrary to the pre-season guesses, the trout season opening wasn't a bad one at that. Scattered stories from here and there over the state show it to be an average season so far. The coastal streams were overfished and produced an undersupply, inland streams were high and fish were hard to catch but were of fine caliber when hooked.

Here are the first hand reports by the fishermen who were there. Hal Purser of the D. C. Rod & Gun fished Stoney Creek in Mendicino County and brought home a fine 3½ pounds brown trout as the best of 6 that he took in 2 days. Fishing off, water high, baitifishing best were his thoughts on that area.

Local high schol students Alex Findlay and John Giannucchini left their homes in the wee small hours of the morn last Saturday to fish Alpine Creek near La Honda. Total catch for two days fishing for Alex was one fish about 6 inches long. John managed to snag 9 up to 7 inches in length. (Helgramites did the trick.)

Harry Johnson with sons George,, Charles and Scott traveled up to Trinity County with Fred Harris and his boy, Freddy. They fished in Canyon Creek and tell me the water is very high and the fish aren't biting very well yet. The party managed to get 32 fish during the opening 2 days, the largest of which was about 11 inches. Spinners were the trick that folled the Canyon Creek trout, most of which were Rainbows, and Loch Levens.

The story from Conn Lake in Napa County told by Bill Wright is that the fish being taken there were large but few and far between. Trolling with a lot of shining hardware seemed to do the trick best of all, when a big gob of worms was tied on the hook.

HOME FISHING

Back in our own backyard at Lake Merced the fishing wasn't up to expectations. The fish that were taken were in fine shape and were nice and fat. Trouble was there wasn't enough of them caught. White salmon eggs and red worms were the popular bait along the pier. We were there bright and early on Saturday morning and only 3 fish had been caught by the time I had to leave to go to work. The fish seem to show exceptional growth for their short stay in the lake. What were 6 or 7 inch fish weighing about ¼ pound when planted not over 6 months ago are now about 11 or 12 inch fish weighing about 1 pound. The senior anglers in the area can't hardly wait until July when the lake is open to all fishing.

Just got a letter from my friend Buz Buzeck in Visalia, Calif. He writes that he went out last week end in the evenings and caught and released some 40 Rainbows taking home only enough of a limit to eat for breakfast. Buz says the fish were taking a dry fly flooted very high.

Well, fishermen, how was your luck? Drop in to the Daly City Hardware Store and tell us how you have been doing.

AMERICAN LEGION ACTIVITIES

Broadmoor Post No. 824
CRYSTAL BALL GAZER

Things seem to be very quiet along the "western front" this week.

Plans are going steadily ahead for the picnic. Everything indicates that it should be a "bang-up" affair. Just don't forget the date, June 18.

And, while I think of it, if any of you good people have any news of interest, I would appreciate it if you would call me at JUno 8-0658.

What happened to all the folk dancers last week? Just a few of the regulars were there, but we did have some newcomers. Funny part of it is everyone seems to have a swell time, so why isn't the attendance better? Come on up to the Community Center every Monday night and see for yourself.

The Coaster Derby is bouncing right along. Several merchants have been contacted and they all seem very enthused regarding sponsoring a boy for this event.

The date has been set for July 30, here in Broadmoor. The three winners will then compete for the state championship to be held at Lake Merced in early October. The prizes will be well worth trying for.

This paper will carry all the information regarding entry specifications, etc. next week. All boys who are interested, and between 11 and 16, may call me for any other information.

Expert advice regarding construction will be furnished by Mr. Young of Rincon Post.

It will be quite a feather in any young Man's cap to cop one of the first three places in this event.

Be sure and catch the item in next week's paper.

Larry Green has sprouted out with a nice blue convertible.

Looks like news is scare, so that is all for now.

Jeff High Spanish Class Produces "Carioca Caper" Friday, May 19

A trip south of the border will be offered by members of the Jefferson High school Spanish class May 19 with the show, **Carioca Caper.**

Featured in the show will be Senorita Bettie Duffy's dancing. She will be seen a la solo and with partner Al Johnson. Also, there will be the club's Latin American band with its rhumbas, sambas and tangos. Leading the orchestra will be "Cugot" Don Lunghi, assisted by cute Jeanie Nay as vocalist.

All this, plus a line of comely chorus girls, plus the sparkling piano playing of Susanah Wilson, plus numerous vocalists and a cast of 50 students will be featured in this show.

Teacher, Senor Miguel is directing the show, as well as taking an active part on the drums.

For the past few years the Spanish club has put on shows only for the student body. However, this year they want to let the public in on the gaiety.

Tickets will be on sale soon. Set May 19 aside, and plan an evening of Spanish splendor.

"I'm Looking For A Guy Who Can Play A . . . . . "

A musical burglar looted the home of Bruce Robbins, 815 Crocker avenue, last weekend, police reported today.

Robbins returned from a vacation Tuesday to find drawers pulled open and belongings scattered over the house. Taking stock of his loss, Robbins reported only one item of value missing.

The stolen article was a saxaphone. Police did not indicate whether the instrument was a tenor or alto.

California's lead production in 1948 was valued at $3,940,000.

Old Glory Post And Auxiliary Installs 1950-51 Officers

Tom Callan today is the new commander of VFW Post No. 2044, while Mrs. Marjorie Johnson is president of the Post Auxiliary.

Both officers were installed at a joint meeting last Friday night. The installation was held in the beautiful blue room of the Masonic Hall.

Department president Marie Klugow was installing officer for the Auxiliary. She was assisted by Rose Donovan, past fifteenth district president and Ruby Roberts. Lillian Faber was the principal musician for the evening.

The installing team from Matalan No. 2068 Auxiliary VFW assisted in the work. The following are the new officers: Marjorie Johnson, president; Shirley Walker, vice-president; Marie Miller, junior-vice president; Bonie Ellenwood, chaplain; Ethel Dorn, secretary; Clara Poket, treasurer; Myna Heffron, conductress; Catherine McKeoan, guard; Mary Conti, banner bearer; Elizabeth Sorensen, flag bearer; Ruth Brulez, patriotic instructor; Ruth Brulez, three year trustee; Alice Ehmke, Eleanor Cochran, Lorraine Schneider, Florence Koshaba, color bearers.

The following officers of Old Glory Post No. 2044 were installed by Past Commander Herman Kruithof; Tom Callan, commander; F. Ny, senior vice-president; A. Koshaba, junior vice-president; C. Marschinot, chaplain; A. Albertus, officer-of-the-day; R. Brulez, quartermaster; B. Schneider, adjutant; C. Willey, judge advocate; W. Dorn, trustee; H. Koshaba, guard; J. Attenesia, surgeon; R. Brulez, patriotic instructor; H. Kruithof, service officer.

Following the ceremonies, members and guests enjoyed a banquet. Decorations were by Ethel Dorn and Bonnie Ellenwood. Clara Poket, and her committee, was in charge of refreshments.

Beverly Appleton Wed Saturday In Bethel Church To Ronald Spate

Beverly Helen Appleton and Ronald Clifford Spate were married last Saturday afternoon at Bethel Lutheran Church.

The 5:30 double ring ceremony was officiated at by The Rev. Schroeder.

Given in marriage by her father, Horace Appleton, 432 Bellevue, the bride appeared in a blue net ballerina-length dress trimmed with blue tuscany lace inserts, princess collar, short sleeves and long blue lace gloves. Beverly's blue net fingertip veil was held in place by a headpiece of tiny seed pearls.

In her bouquet she carried white carnations, bouvardia with a large lavender orchid in the center tied with a larger white bow.

Beverly's only senior attendant, Mrs. Dolly McHugh, wore a pink mousseline-de-soie dress with a headpiece of pink baby roses and blue forget-me-nots

The bridesmaid, Dorothy Williams, wore a similar costume and as Mrs. McHugh carried a bouquet of nosegays, pink baby rose and forget-me-nots tied with blue and pink ribbon streamers.

Johnny Marion was best man, while Howard Spate and Sylvio Olcese were ushers.

For the wedding, Mrs. Spate, mother of the groom, chose a dress of navy blue, a tweed coat, tuscan straw hat, navy blue accessories and an orchid corsage.

Mrs. Appleton appeared in a beige suit trimmed in brown, a tuscan straw hat, and Kolinsky furs pinned with an orchid corsage.

A wedding dinner followed the nuptials. The dinner, attended by 45 friends, was at the Riviera. A floral centerpiece of white stock gardenias, carnations, iris, and gladiolas set off the three-tier wedding cake.

Present at the reception were the groom's grandmother, Mrs. Mary Spate; Mrs. C. H. Hulls, bride's aunt; Mrs. Cecelia Wilbur, aunt of the groom.

The couple will honeymoon in Carmel and southern California. When they return they will make their home at 230 Lowell street, San Francisco.

Serra Nine Cop League Title

Scoring in baseball as they did earlier in the year with football, the Serra High school nine won the western division Catholic Athletic league championship last Friday.

This makes the second straight year the Serrans have won the tilte. Friday, they defeated St. Peter's High 5 to 1 for their seventh straight league victory. The Padres have a season's record of 15 wins in 20 games.

But the showdown comes this week with the Padres meeting either St. Mary's of Berkeley or St. Elizabeth's of Oakland for the championship. St. Mary's undefeated in the eastern division, meets St. Elizabeth's who have lost one game, this Friday.

Mrs. Rozzi Honored On Anniversary

Honored guest at a surprise party last Sunday was Mrs. Archie Rozzi of South San Francisco.

The party was given in the home of Mrs. Rozzi's mother, Mrs. Carl Potter, 220 Hillside, to mark Mrs. Rozzi's sixth wedding anniversary.

A beautiful cake was prepared for the occasion, and the table decorations carried out the anniversary motif.

Present to wish Mrs. Rozzi, her husband, and her two-year-old son, Michael, well were: Mr. and Mrs. Enrico Bertini Jr.,; Mrs. Leo Rozzi, Mr. and Mrs. Frambrini and daughter Jeanette; Mr. and Mrs. John Fambrini.

Education Meeting This Wednesday

A joint institute of teachers and principals of the Jefferson High school district and elementary district is to be held at the High school Wednesday, May 10.

The meeting, which is open to the public, will open at 8 p.m. in the High school auditorium.

Guest speaker is to be Leo Cain, professor of education at San Francisco State college. He will speak on "What the Public School Owes the Exceptional Child."

Meanwhile, teachers of English in the upper grades and at the high school met recently to discuss mutual problems in teaching english. Stanford Hannah, high school superitendent, reports the meeting was attended by teachers from Daly City, Brisbane, Bayshore, Colma, and Sharp Park.

NEWS OF YOUR NEIGHBORS

A. J. Bodien, affable superintendent of public works in Daly City, came close to joining the fish he was trying to catch last Sunday. Seems Bodien was fishing in San Pablo Bay about noon when he looked up to see a jet plane headed his way. The plane kept getting lower and lower, until Bodien feared it might be the beginning of the hot war. However, a few yards from the superintendent's boat, the plane straightened out and dropped two massive gas tanks. The tanks fell a short distance from the boat. Except for the nervous tension Bodien was not harmed. The jet crashed near Hamilton Field, and we are glad to report the pilot escaped with his life. Oh yes, Bodien caught only one small fish.

Mr. and Mrs. George Perada, 343 Woodrow street, are the proud parents today of a 6 pound, 14 ounce baby boy. The baby, named Anthony Richard Perada, was born April 27 at St. Francis hospital. His paternal grandparents are Mr. and Mrs. George Perada, 457 Santa Barbara. The maternal grandparents are Mr. and Mrs. Joseph Rosset, 120 Shakespeare. The great grandmother is Mrs. Minnie Rosset, while John Perata Sr. is the great grandfather.

Pvt. Alex C. Sola, 20, son of Mr. and Mrs. C. N. Sola, 68 Flournoy, has begun a 13 week course of indoctrination training at Lackland Air Force base, San Antonio, Texas. In the basic training at Lackland he will receive a well rounded military preparatory schooling for progress in a specialized air force career.

James Moran, 2½ year old son of Mr. and Mrs. Moran, 120 E. Vista, is wiser today in the ways of bottles and their contents. Last Saturday young James found a bottle of Lysol in the basement of his home. Interested, he used the liquid for painting. Then, a little later, he decided to take a sample swig. His mother found him drinking the liquid, and immediately put in a call for an ambulance. Glad to report that James was pumped out at the Junipero Serra hospital, and is none the worse for his activities today.

Mrs. Ida Garibaldi, Mrs. Coradina Benedetti and Mrs. L. S. Martinell attended the senior play at the Serra High school recently. The name of the play was "Command Decision," by William W. Haines. Harold Varni, a former resident of Daly City, took the part of Elmer Brockhurst, war correspondent. The Varni family is now residing in South San Francisco.

Stanford Hannah, superintendent of the Jefferson High school district, reports this week that he, Mrs. Hanah and daughter, Florence be moving to Garden Village May 16. The family has been residing at 28 W. Cavour, but have purchased a new home at 118 Garden Lane. And in case you are interested in renting, Hanah asserts that the home at 28 W. Cavour has already been rented.

INDIANS DEFEAT SAN JOSE; TIED FOR FIRST WITH PALO ALTO VIKING

The Jefferson High Indians, behind the brilliant pitching of their ace chucker Ed Cereghino, defeated a strong San Jose High baseball team last week, April 28, by the score of 5-3.

Cereghino took his fourth P.A.L. win of the year by striking out 13 San Jose batters, while giving up 7 scattered hits, all singles.

While the Indians defeated San scalped Palo Alto 8-4 to give the Indians a first place tie with the Vikings. Palo Alto had gone undefeated up to this point, winning 4 games in a row, including a 2-1 win over Jeff.

This week, the Jeff Indians will travel to San Mateo to meet a strong offensive team even though the Bear Cats have taken three defeats.

Coach South announced that Cereghino will start on the mound against San Mateo.

SAN JOSE SCORES FIRST

In the game with San Jose, San Jose took the lead in the first inning 1-0, off 2 hits, and a walk.

The Indians came back in the ball game i nthe 2nd innings to tie it all up 1-1. Matzek and Childress both flied out, with Kliem taking a free pass to first base, then stealing second. Then Lefty Goodnol laced a ball to center field for a single, scoring Kliem off second base.

INDIANS SCORE AGAIN 2-1

The Indians scored gain the 4th when Matzek got to second base on an error and then Roy Childress hit a screeming double to center field scoring Matzek, which put the score Jeff 2, San Jose 1.

Again in the 5th, the Indians came back to score two more runs. Cereghino took a free pass to first but was forced out at second by Lunghi. Again the power of the Jeff batman took over with Mosman hitting a line drive double to center field, scoring Lunghi from first.

The Indians had the bags loaded twice in the 7th frame but could only score one run. Cereghino walked, Lunghi laid a perfect bunt, as did Mosman to fill the bags. Morgan forced Cereghino out at the plate still keeping the bases filled. On a wild pitch, Lunghi scored from third. Findlay was passed with a free walk to fill the bases again. Matzek forced Mosman out at home as Childress grounded out for the third out to end the inning.

Jeff Basketball Champs Rewarded

Winners in the Daly City Recreation Department "B" Junior Basketball League, Jefferson elementary, were awarded silver medals by the department April 18.

The medals were presented at a special rally organized by Patricia Geersten, student body president. Assisting, as master of ceremonies, was John Geersten. Linda Carovano and Eileen DeBernardi were yell leaders and rally chairmen.

Don Pagani presented the boys the medals, and thanked them for their fine play.

The following boys received medals: Herbert Frost, Albert Figone, Albert Lagomarsino, Frank Bortoli, Robert McDonald, Robert Rocki, Ronald Poston, Lowell Creighton, Mario Sereni and Kent Duncan.

Jeff High Offers Summer Swimming Classes For All

Swimming classes are to be held at Jefferson High school between June 19 and August 11, Coach Glenn South announced today.

There will be morning classes of instruction only. There will be 11½ hours of lessions, for which a nominal fee will be charged.

Registration will be at Jefferson High school swimming pool office on Saturday afternoon from 2:30 to 4:30, or any week night from 7 to 9:30 until the deadline for each course.

The deadline is 10 days before the beginning of each course. Enrollment will be limited, so register early to avoid disappointment.

The four courses will run from June 19 to June 30; July 1 to July 16; July 17 to July 28 and July 31 to August 11 respectively.

Because of the depth of the water, no one under four feet tall can be accepted for instruction. Children must be old enough to follow group instructions and not require individual attention.

Parents and visitors will not be allowed in the balcony of the pool except on the last day of each campaign. At this time you may see the progress of your child or friend. In the past, the spectators have been distracting to both students and instructors.

Further information may be obtained by calling South at PL 5-2511.

Jeff High Gym, Pool Now Open For General Use

Now that the Jefferson High night league basketball season has ended, the gym is open to the public two more nights a week.

On Tuesday and Thursday evenings, basketball will be the order of the evening at the gym. Basketball is played each evening, except Wednesday when badminton fans take over.

Meanwhile, Coach Glenn South reports that the swimming pool will be open to the public every night except Saturday and Sunday. Wednesday night is reserved for women only.

The pool is open from 7:30 to 9:30 p.m. each evening. On Saturday the pool is open from 2 to 4:30 p.m.

Jefferson Cindermen Compete Friday At San Jose In PAL Track Finals

Coach Reibera's Jefferson High track team will be represented in the P.A.L. Track finals Friday at San Jose by the varsity squad, men from the 30's and runners from the 20's.

In the varsity division, Joe Zanobinin will lead the race in the mile event. Zanobini, who has the second best time in the P.A.L. and third best time in the Northern California, will be a top choice for first place today.

Another boy who could come out on top is Bill Bollinger in the 880 yard run. Bollinger placed 2nd in the semi finals last week and his time is not very far off the 1st place winner.

Chuck Bublack placed in the varsit y440 but lost out in the 100 yard dash. This was one of Bublack's best races and though his time is not up to par with the winner, he could score an up-set.

Vic Baher placed in two events, the shot put and the discus. Baher placed 5th in the shot and 9th in the discus, as team mate Al Teglia placed in the discus also.

In the 30's Dick Firth took 2nd in his heat to place in the finals in the 660 yard run as Tom Blowers and Bob De Benardi placed in the 1320. Tom Blowers is one of the top runners in the 30's and should take a good first place today.

JEFF ENTRIES
Varsity

440—Bublack.
880—Bollinger, Douglas.
Mile—Zanobini.
Shot—Baher, Teglia.
Discus—Baher, Teglia.
Relay—Teinken, Maffic, Bollinger, Bublack.

30's

660—Firth.
1320—Blowers, DeBenardi.

20's

150—Lewis.
330—Schononi.
Shot—Calario.
Relay—Lewis, Silva, Schononi, Covnano.

Burlingame Scene Of Swim Trials

Friday at Burlingame High, six P.A.L. schools, Jefferson, Burlingame, San Mateo, Sequoia, Palo Alto and San Jose will vie for chances to represent their schools at the P.A.L. finals next Thursday at Burlingame.

Jefferson's most outstanding swimmer, Norm Cady, will make his bid for all P.A.L. in the 30's 50 yard free style. Cady is a sophomore and has not met defeat in the 50 free style since he started swimming last year. Cady made all P.A.L. in both 50 and 100 free last year, and will be staked as top choice to repeat this year.

In the varsity division, there are only two boys who are sure of a place in the finals. Les Nicholini in the 100 free and Stanly Davis in the 150 medly. Nicolini has met defeat but once this year and should come out in the top three while Davis has only swam the 150 but three times but his time is farely good to place him.

DON'T FOLLOW THE LEADER

Don't play "follow the leader" in traffic, advises the National Automobile Club. Just because the other fellow slipped through that Stop sign or cut in on that other car is no indication that you can do so safely. When you indulge in such tricks you are taking those long chances that lead to a short life.

LEAKAGE LOSS HEAVY

Much of the oil that disappears on the long trip when the car is traveling at high speed is the result of leakage rather than aeration or burning, declares the National Automobile Club. Before starting such a trip, and at other times as well, it pays to have the various gaskets designed to prevent lubrication loss either tightened or replaced. Thin oil can find many ways of escape.

TROUT SEASON UNDERWAY

Trout season got off to a good start in Fresno County, reports the National Automobile Club, with most streams high but clear and the road to Huntington Lake open.

Mailing Rules For Sending Trout

California anglers who want to ship their fresh-caught trout to family or friends will have just three chances to do so during 1950, according to the official interpretation of a recent Legislative law.

The limiting factor, says the Division of Fish and Game, is the number of trout shipping permits attached to each 1950 angling license. Each of three permits will allow the shipment by common carrier of a daily possession limit of trout.

Sport fishermen must present their angling licenses at the bus or train station when offering trout for shipment. It is illegal to send trout by parcel post.

SPORTSMEN'S CALENDAR

The Division of Fish and Game reminds California sportsmen of the following general regulations which apply to current hunting and fishing.

TROUT—April 29 to October 31 in Tahoe, Donner, Boca, Almanor, Pillsbury, Butt, and Bucks lakes, and in all counties except Del Norte, Lassen, Plumas, Sierra, Nevada, Placer, El Dorado, Amador, Tuolumne, Calaveras, Alpine, Mariposa, and waters tributary to Pacific Ocean on coast of Humboldt County, where season opens May 27. Bag limit: 15 trout, salmon, or Rocky Mountain whitefish, but not more than 10 pounds and one fish.

BLACK BASS, SUNFISH, CRAPPIE, SACRAMENTO PERCH—April 29 to February 28 in all counties north of Mono, Madera, Fresno, Kings, and San Luis Obispo. No closed season elsewhere or in Clear Lake. Bag limits: 5 black bass, 25 sunfish, crappie, perch. Local exceptions. No size limits.

STRIPED BASS — No closed season. Bag limit: 5 fish or 25 pounds and one fish, or 2 fish regardless of weight. Minimum size limit: 12 inches.

CATFISH — No closed season. Bag and possession limits: 15 pounds and one fish in the round, or 8 pounds and one fish dressed. Minimum size: 9 inches in Clear Lake; 10 inches in District 22; none elsewhere. Night fishing permitted in District 22, Siskiyou, Shasta, Modoc, and Lake counties.

SHAD—No closed season. Bag limit: 5 fish between June 10 and March 14. No limit at other times. Angling hours: from one hour before sunrise to one hour after sunset, or by hand dipnet at any time.

OCEAN FISH—No closed season on the following species (bag limit included): 15 rockfish; 2 marlin; 2 black sea bass; 3 salmon; 2 broadbill swordfish; 10 tuna, crocker, skipjack, albacore, barracuda, yellowtail, white sea bass, bonito rock bass kelp bass, corbina, halibut, ling cod and cabezone. No limit other species.

CLAMS—Ends April 30 in Humboldt and Monterey Bay areas. No closed season elsewhere. Bag limits: 30 razor; 10 big neck; 10 Pismo; 10 Washington. No limit on jack knife clames.

COCKLES — Ends April 30 in counties north of San Luis Obispo County. No closed season elsewhere. Bag limit: 50. Minimum size limit: one and one-half inches in diameter.

FROGS—March 1 to November 30, except in District 22, (Colorado River area) where season opens June 1. Bag limit: 24 per day, 48 per week. Size limit: none under four inches from tip of nose to crotch. No license required.

PREDATORY ANIMALS — No closed season. No license required for taking of moles, shrews, opossums, gophers, wolves, coyotes, raccoons weasels, skunks, mountain lions, wildcats.

NEWS FROM THE SCHOOLS

CROCKER

Since returning from the spring vacation, the Crocker student body has been very active.

Two community projects have been engaged in, namely, the "Penny For A Pine" drive and the "Cancer" fund contribution. The "Penny For A Pine" is the observance of the conservation of our pines in the Shasta forest, and a means of replenishing the dwindling forests. Students of the Crocker student body take care of these various community activities through their well organized student body officers.

POPPY POSTER

The three prizes in the recently conducted American Legion Auxiliary Poppy Poster Contest of Group I were won by Crocker students in the 5th and 6th grades of the school. Delores Powell of the 5th grade won first prize; Phyllis McCormack, second; Pat Norris, third. The second and third prize winners are sixth grade students. Students receiving honorable mention in this group were George Fresenborg, 5th grade, and Kenneth Klees, 6th grade.

In Group II of the contest, Donald Midtle, 7th grade student received honorable mention. Congratulations, students! We're all very proud of you. The awards for these students were presented at an impromptu assembly called by the P. M. President James Snell, with the newly installed PTA president Mrs. Elsa Berg, leading the pledge to the flag. Presentations were made by Mrs. Olga Bordson, chairman, and Mrs. Pahlka, cochairman of the American Legion Auxiliary Contest. Thanks go to Mrs. Bordson and Mrs. Pahlka, for their time and effort.

PUBLIC SCHOOLS WEEK

As a special observance to Pub-Schools' Week the Crocker student body is holding a "Safety Assembly Program and Bicycle Inspection," at 11:45 a.m. and 2:30 p.m. on Wednesday, conducted by student body presidents Jack Plunkett and Jim Snell, respectively. Various classes in the school will participate, each contributing to the program, which is an outgrowth of classroom activities.

The morning assembly will include a TV technicolor presentation by the H-8 on "Bicycle Safety Check," a skit and explanation of safety charts by the H-7, an acrostic on "Safety" by the H-5. The P.M. assembly will present an original one act play by the H-6, and an orginal safety poem, poems and short stories by the H-7, as well as a talk on "Safety in School," a puppet show and two safety talks, "Safety for Pedestrians," and "Safety At Home," as well as a short story by another group of H-7 grade students.

These assemblies are always entirely student conducted and organized, with teachers acting in an advisory and recommendatory capacity. Student ideas and plans are always considered first, and directed to receive the maximum of initiative and participation by as many student body members as possible, thus training these children to actively participate and foster ingenuity to further citizenship training.

ROOM 6

Room 6, High 8, enjoyed the use of the Califone, which was a present from the Crocker PTA.

Last Thursday, the class saw the film The Telephone Hour—a most execellent one. Joseph Hoffman, a world noted pianist, was the guest artist on this program.

The students of Room 1, P.M. Session have been going "all out" in order to have their room in "apple-pie" condition by the 25th of April, which is Open House at Crocker.

Marlene Logelio, Joanne Stevens, Lenita Johnson, Howard Klein, Edwin Van Staveren, and Bob Stone have been very cooperative in staying after school and readying the hallway outside of Room 1.

The Seventh Graders of Room 6 have been working in readiness for Public School Week. They are also preparing a safety skit, speeches, posters, and a novelty act for an assembly.

In Social Studies they have traveled through France and Germany on a hurried trip which will end with a movie on the highways and byways of France.

This group is proud of Ronald Midtlie who won honorable mention in the American Legion Poppy Poster Contest of this district.

ROOM 3

Room 3 is very proud of Delores Powell who won the first prize in the district in the American Legion Poster Contest.

Everyone has been working as hard as he can to finish projects for Public Schools Week. This room has its murals and maps of California which are bright and colorful. The movie of "Peter and the Wolf" is nearly finished.

The Seventh Grade of Room 5 has been working on their lovely display for Public School Week. They have large maps of Europe, attractive folders, book covers, and graphs in addition to their work.

SOFTBALL OPENS

Saturday, April 22, will be opening day for the boys of the Jefferson Elementary School District Softball League, and James Snell, Robert Brubb, and "Red" Lewkowitz are "chaffing at the bit" for action.

Softball is being organized for the girls. The girls of the P.M. Session are enjoying their weekly folk dancing taught by Helen Muller. They are certainly profiting by using the califone during this period. Right now they are learning the square dance, "Little Log Cabin in the Lane."

The sixth graders of Room 5 offer their congratulations to Patricia Norris who won third prize in the American Legion Poppy Poster contest. Kenneth Klees received honorable mention for his poster.

JEFFERSON

The first grade was busy all week in preparation for Educational Week. Attractive book covers were made by each member of the class. These containing their school work were placed on their desks for open house the evening of April 26. They were enjoyed by many visitors.

The children in the second grade have been studying about fish, wigglers, toads, frogs and tadpoles. Since there has been so much interest in science shown they acquired a gold fish, whom they named "Wiggles." It is Rosemarie Whelps' responsibility to see that Wiggles is taken care of properly.

Wednesday Betty Ann Callan brought a tadpole to school for the children to observe. Then the students read an interesting story about frogs and tadpoles from the science book.

The third grade enjoyed a tour to Thornton School to observe the work of other children on their grade level. On the way the children decided to observe some subject for an art lesson when they returned. The discussion following the trip brought forth the importance of appreciating what was in their immediate environment.

Room 2 welcomed two new students to their class recently, William Rodriguez from the Le Conte School in San Francisco and Mary Hermens from Half Moon Bay Elementary School.

ROOM 3

In Room 3 we have been enjoying our movie, Peter and the Wolf. This is our picture-story of the children's opera. Each child in the class has made one in the series of pictures that tell the story of Peter and his exciting capture of the wolf. The final touches have been added to all our work to be displayed for our parents and friends during Public Schools Week.

We are sorry to have lost two members of our class. Sallie Johansen has moved with her family to Long Beach and Sharon Casad has gone to attend school at Canoga Park near Los Angeles.

ROOM 4

After preparing for Education Week for a long time, the students of Room 4 are naturally anxious for it to be as successful as possible. They have drawn maps of Japan, New Zealand, and Australia. There are various kinds of charts, rainfall and vegetation maps, and a picture of the duck-billed Platypus, that strange animal which defies classification. One chart is very interesting because it shows the two main kinds of islands in the Pacific, volcanic and coral. A mural in the hallway depicts a pig being roasted on a Polynesian Island. The students have certainly worked hard to make an interesting and colorful exhibit. They hope their parents and friends will enjoy it.

ROOM 5

Room 5 will present a safety play for the assembly on Wednesday morning. The play tells the story of Putnam Pip, who fails to listen to the safety advice given by Professor Keep-um-safe, with the result that his day of Friday, the 13th, doesn't go too well.

Billy Willers and Jean Wickersheimer will act as class host and hostess for the Open-House. We hope many friends and parents will be able to visit.

The students of the afternoon session in Room 5 are studying about the country of Japan. They were surprised to learn that the Japanese ways of doing things and thinking about things came in a large part from the Chinese.

ROOM 6

The Eighth Grade in Room 6 has learned in their science work that in sailing vessel days horses were dumped overboard when there was a shortage of water. For that reason, the belts, or areas, where the air is settling have variable or uncertain winds. These regions are known as Horse Latitudes. The rising-air belt of the tropics is known as the doldrums.

In Social Studies the Seventh Grade in Room 6 have been traveling through Central Europe. They have been surprised that many of these countries have been dominated by Russia.

The fact that gypsies travel through these countries seems to fascinate the children. They have found that these people are music lovers and have listened to music by many Austrian composers.

We have been finishing our preparation for Public Schools Week and especially for our own Open-House. We hope that many parents and friends will come to visit us.

Carol Rae School Of Dance Students In May Day Event

Students from the Carol Rae School of Dance will participate in the annual May Day event at the Jefferson High School, Sunday, May 7.

Miss Rae taught in San Francisco during the years 1941 to 1945 and prior to that time she had several large studios in Hollywood.

In November of 1949, she opened a studio in her home in Colma, where she has given instructions to a limited group of pupils. The children that have been taking since then will appear on the program in the following numbers:

Military tap, Carol Benedetti; ballet, Arlette Jakez, Gwedette Zanone; minuet, Marianne Zanone, Judy Brandt, Eileen DeBernardi, Judy McCullough, Faye Orowitz, Lurline Jakez, Linda Caravona; twelfth street rag tap, Eloise Zanone, Marylyn Davis, Judy McCullough; acrobatics, Judy McCullough.

Other events are scheduled by Miss Rae for her pupils. Information may be obtained by calling PLaza 5-0762.

Bocci Speaks On Juveniles

Continuing his campaign to educate parents in the ways of Juvenile delinquency, Thomas Bocci, candidate for First Township judge, spoke before two organizations last week.

He addressed the Ladies Auxiliary of the Colma Vista Grande Aerie No. 1848, and later spoke before the members of the Edgewood Terrace Civic Association.

The Daly City attorney spoke at length on various methods of curbing juvenile delinquency. Chief among these, he said, is a Boys Club.

In closing each talk, Bocci urged all those present to give their full support to the Daly City Boys Club, which has ben recently reorganized.

Orange County was created in 1889 from 500,480 acres taken from southeastern Los Angeles County.

JUDGE

Rapsey Seeks Election To SSF Judgeship

In offering himself again for re-election, Judge Rapsey stands entirely upon his own enviable past record as a judge. He considers integrity, experience, competency, and stability as the essential characteristics of a good judge. Today these qualities are of the utmost significance because of the growth in importance of the modern Class A Justice Court, (which is not to be confused with the old type Justice of the Peace, now relegated to a Class B Court).

The Justice's Court of First Township, as presently constituted, is a Class A Justice Court, and as such, handles important civil and criminal cases. The judge of that court has jurisdiction over property and claims amounting to as much as $1,000, and in criminal cases he has authority to impose jail sentences as high as one year and to assess fines up to $1,000. The Class A Justice Court is the citizens' first line of defense in the protection of their rights and property against crime and injustice.

Announcing his candidacy for re-election as Justice of the Peace of the First Township, with courts at Daly City and South San Francisco, Judge Rudolph A. Rapsey points to his 16 years' experience as City Judge of San Bruno and his several years as Justice of the Peace, during the course of which he has presided over more than 7,000 cases.

Very recently the lawyers of San Mateo County, at the regular annual meeting of the San Mateo county Bar Association, endorsed Judge Rapsey for re-election by the overwhelming vote of 54 to 3 over his opponent.

A family man, Judge Rapsey resides in San Bruno with his wife and two daughters. Judge Rapsey has been a practicing attorney in this county for 27 years. In 1911, he was graduated from St. Ignatius High School in San Francisco. Thereafter he obtained his bachelor's degree in law from the University of California(Hastings College). Judge Rapsey, a veteran of World War I, has long been active in veteran affairs.

Business Members Back Tax Repeal

Prominent members of California business and industry are among the numerous sponsors of the initiative to repeal the State Personal Property Tax.

E. L. Calahan, chairman of the committee to repeal the levy said that more than 100,000 signatures have been obtained on an initiative placing the measure on the November ballot.

Callahan pointed out that the personal property tax on tangible and intangible property was repealed in New York in 1933 and that as a result the New York state economic condition had steadily improved.

"Personal property taxes," Callahan declared, "are a brake on home industry. In California, to avoid heavy taxable inventories on the first Monday of March, there is a slow-down of production and of buying which begins as early as October and which reduces employment, shuts off machinery and increases the overall costs of production and selling. It also reduced commercial warehousing.

1950 Ice Follies Open June 7

The sensational all-new Shipstads and Johnson "Ice Follies of 1950," packed with comedy, color, action, speed and precision timing, will open at San Francisco's Winterland on Wednesday evening, June 7.

The anouncement was made today by George J. Campbell, general manager of Winterland.

Nightly performances of the "Ice Follies" are scheduled at 8:30; the first matinee will be Sunday, June 25, and every Sunday thereafter at 2:15.

Tickets go on sale Monday morning, May 1. Following custom, only mail-order reservations will be accepted for the first week. They should be sent, with check or money order and stamped, self-addressed envelope, to "Ice Follies of 1950," Winterland, Post & Steiner Sts., San Francisco 15. State number of tickets, price, and date desired.

S. M. County Easter Seal Drive Fund 50% Completed

Mrs. Cyril R. Tobin, chairman of the 1950 Easter Seal Drive to raise funds to aid the county's Crippled children, announced today that only 50 per cent of this year's campaign fund goal has been reached to date.

She said that the Easter seal drive has been extended to the end of this month in order that county residents who as yet have not mailed in their gift for Easter seals, may be able to do so before the end of the drive period.

"Last month," Mrs. Tobin said, "over 45,000 letters were sent to citizens throughout the peninsula area. Each letter contained a sheet of 100 Easter seals and a self-addressed return envelope."

"It was hoped," Mrs. Tobin said, "that the response from recipients of the seals would aid us considerably in reaching the 1950 fund goal."

"Unfortunately," she said, "to date we have received less than 8,000 replies to our letter appeal."

The Easter seal chairman further stated that unless more support was forthcoming from county residents, next year's program to assist handicapped children would be faced with a serious shortage of funds and that many local youngsters would not be able to receive the necessary care which their parents are financially unable to give them.

MOUNT HOOD GLACIERS

Oregon's Mount Hood is reported by the National Automobile Club to have eleven glaciers. Although all these glaciers are in process of recession, several of them are still of great size and of unusual beauty. Most of them are accessible to mountain climbers.

Supervisor Poss Re-election Bid Gains Impetus

Supervisor Martin A. Poss' bid for reelection at the June 6 primary gained impetus today with the formation of a county-wide citizen's committee which will aid him in his campaign.

Poss who has held the supervisor's post from the 2nd district for the past 5 years has had a long and distinguished career in public office. He served capably for three terms as a San Mateo city councilman before receiving the appointment as supervisor in 1945. He was selected to fill the highest elective post in the county by Governor Earl Warren because of his outstanding record in local government affairs.

In 1946 he was elected to a full term as supervisor by a substantial majority.

Supervisor Poss conducted a successful business in San Mateo until 1946. He has always emphasized the need for sound business management in county government and feels that his long experience as a local businessman gives him the necessary qualifications to aid in the proper administration of county affairs.

"I have no alliances," Poss stated, "with any group or faction and, if reelected, will be free to use my best judgement on all matters."

Supervisor Poss claimed that he had dealt fairly with all problems which have been presented to the county executive body during his term in office. He stated that he will continue to take a favorable stand on matters which he believes are of benefit to all the county.

Poss' long list of civic activities includes service on the county grand jury as foreman in 1933; director and manager of the San Mateo County Fiesta Association; first president of the San Mateo Chamber of Commerce; president of the San Mateo Rotary Club; exalted ruler of the San Mateo Elks; president of the Pacific Coast Horticultural Society and a member of the Mission Trails Association.

PHOENIX NAMED

The city of Phoenix in Arizona is named for the mythical bird that was consumed by fire every five hundred years and immediately rose resplendent from its ashes, reports the National Automobile Club. The city was given its name in 1867 by Darrell Duppa, an English adventurer, who saw the prehistoric mounds and canals left by an ancient Indian civilization and prophesied that "a city will rise Phoenix-like new and more beautiful from these ashes of the past."

HEADLIGHT EFFICIENCY

Automobile headlights should be checked at regular intervals in order to assure maximum efficiency and proper distribution of light, the California State Automobile Association advises. Efficiency can be greatly increased by keeping the headlight lens free of dust and mud.

CAUSES OF BLOWOUTS

High speed which causes excessive heat, and overloading which causes excessive flexing, are usually the cases of tire blowouts, according to the California State Automobile Association. Other causes include under-inflation, over-inflation, inbedded objects cutting cord fabric, and hitting curbs or sharp objects.

Prior to 1900 Imperial County was was a desert waste.

Dutch traders began the settlement of Connecticut in 1633.

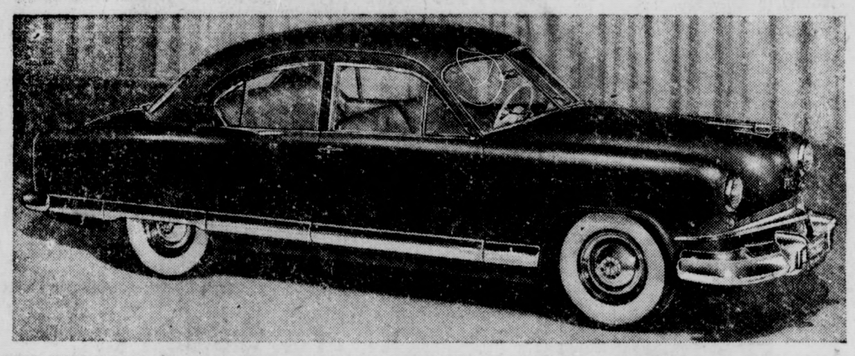
1951 KAISER

ARRIVES HERE MAY 10



THE FIRST 1951 Kaisers will be at Impeartrice Motors May 10. They comprise the second of three complete new lines of K-F automobiles to be introduced this year. The medium priced Frazers reached showrooms around the country in April, and the company's forthcoming low-priced model is due in July. Above is the Kaiser two-door sedan, one of a complete range of 12 body types in the popular priced series.
